

FIESTA BRIDGE CLUB

Time to celebrate! Fiesta season in San Antonio marked the opening of a new duplicate bridge club, Fiesta Bridge Club, at 2112 NW Military Hwy.

Laurie-Anne Levin, owner, says "it feels like a party everyday", though the game of bridge can be played quite seriously by some! The Club offers vibrant competition, though friendly and good-spirited. This is because Laurie has created a special sense of community among the regulars, who include both young and old. (Levin owned and operated Turtle Creek Duplicate Bridge Club at 2343 NW Military, which closed with the opening of this new club). The Fiesta Bridge Club is open to the public, offering games at 11 am Monday through Saturday and 7pm on Mondays; Novice Game at 1 pm on Tuesday, Supervised Bridge Camp on Wednesday at 1 pm, and Party Bridge on Friday at 12:30 p.m. Coffee, iced tea and light snacks are always available. Laurie, along with other nationally recognized teachers, offers lessons for all levels of play, for groups and individuals.
