

90-95-100

Let's have a Birthday PARTY !!!

ADBC has a new policy—when a member reaches 90, 95 or 100, we want to have a party! Virginia Chilton's 90th in November 2012 was our inaugural event, but we expect many more to come! So, here's the plan....

1. If you are about to turn 90, 95, or 100, LET US KNOW!!! Notify Sue Gilbreath (or another board member if you can't locate Sue) of the coming event and schedule a game for your party!
2. If you know of someone in the club with an upcoming 'special' birthday (*maybe someone who is too shy to toot her own horn*), let us know so that we can contact that person and coordinate the event!
3. If we missed you -- that is, if you have already passed 90 -- let us give you a make-up party on your NEXT birthday!

One thing about the folks at Arlington Club—They love a party!! So help us recognize our most Senior players with a special event!!!!!!
