

Unit 183 Board meeting, Apr. 23, 2025

Called to order by Branch at 4:00.
All present except Dillman, out of town
Minutes approved for both Feb and March.

Rebate from ACBL

Fee will confirm that he and/or Brenda S. will continue calling lapsed members to enable us to receive that 2.5% of this rebate
Benton will check with LCA to find out when we will be paid for folks who play in that online game. (I called and found that we get \$3/play and it is paid the 15th of the month after \$100 is accumulated.)

It was mentioned that we should check out bridgewar.com - a good bridge learning tool for kids.

Garden project.

Benton will communicate with Liz re: progress toward choosing a contractor and projected date for the work to begin. Various Board members volunteered to do volunteer work if it would help speed up the project. Liz and Lorraine are making box lunches to be sold on Fri and Sat of the tournament to help raise money for the project.

Sectional tournament in May.

Eads reported that Brenda M, Hospitality, will not be here for Sunday of the tournament. Benton will check with Brenda re: plans for food on that day. Eads is also working on making the registration process "simple" and to include advance ordering and payment for sandwiches from Liz and Lorraine for Fri and Sat. of the tournament.

Eads moved and it was seconded that we create a special committee to review club requests to offer sectional tournaments. It would include Branch, Eads, Shirey, and reps from the Denton and Arlington clubs.

Adjournment at 6:00 by D. Branch

Cynthia Benton, Acting Secretary
