

Minutes of Board Meeting, March 26, 2026, at studio

Members attending: Branch, Benton, Eads, Stahlecker, Urbel, Fee, Burgess, Shirey

February Treasurer's report was approved. February minutes to be approved at later meeting

Upcoming events were discussed.

Apr. 11 Arlington Golden Club Championship

Apr. 18 Denton's first Junior Regional, a very positive event for the Unit

Apr. 25 Unit 183 Awards Day at studio

May 11- 17 DFW Regional

We discussed the fact that the dates for our Regional and the Okla Regional are conflicting this year.

Eads and Branch will be going to DFW Airport soon for preliminary meeting with tournament coordinators.

Pianola software, our vehicle for sending the newsletter, has become an issue. The cost is more than we thought and our initial payment has now all been used. Altho there are other options for sending communications, Pianola has been determined to be our best. Branch and Lynn Long are working with Pianola to decide the best course of action.

Meeting was adjourned timely,

Respectfully submitted,

Cynthia Benton
