

April 22, 2026 Minutes of Meeting of Board of Directors

Meeting called to order by Pres. Branch. Present in addition to Branch were Stahlecker, Shirey, Benton. Eads was present by phone.

Minutes for Feb and March were approved.

Financials for March were approved.

Eads reported on progress towards Regional tournament to be held May 11 - 17. Our room requirement appears to be being fulfilled at this point. Speakers are being lined up - there will probably be 4.

Arlington Limited Sectional will be held at the Unit Studio in late June.

Fee and Jim Atterberry are working on the 5/5/5 project. Benton will contact them to ask if they need help.

A beginner game is currently being conducted by MJ Orock and L Little at a local church. They asked if they could move that meeting to the studio at no charge. The Board approved that request as an outreach program.

Meeting adjourned.
