Four Teams Qualify For GNT at Washington Nationals

GRAND NATIONAL TEAMS SUPERFLIGHT
Ira Hessel - Nagy Kamel
Dan Morse - Greg Hinze

GRAND NATIONAL TEAMS FLIGHT A
Tom Edwards - Stan Kohan
Charlie Price - Marc Poe

GRAND NATIONAL TEAMS FLIGHT B
Pamela Wiegmann - David Farris
J Wiegmann - Peter Hudson

GRAND NATIONAL TEAMS FLIGHT C
Herb Kalman - Robert Reichel
Harry Elliott - Byron Elliott (NP) Brett Elliott

RICHARDSON — 49 teams competed over the Memorial Day weekend to determine which four teams would represent District 16 at the national finals in Washington at the end of July....and the winners are:

Superflight: Dan Morse, Greg Hinze, Nagy Kamel, and Ira Hessel
Flight A: Charles Price, Marcus Poe, S Kohan, and Tom Edwards
Flight B: Peter Hudson, David Farris, J Wiegmann, and Pamela Wiegmann
Flight C: Brett Elliott, Robert Reichel, Herbert Kalman, Harry Elliott, and Byron Elliott

There were 4 Superflight teams, 10 in A, 26 in B and 9 in C. The total of 49 teams was about average for this event. The superflight went right into the KO round with 32 board semifinals and a 48 board final. The other three flights had round robins to determine the teams to advance to the KO round.

The Superflight final was close all the way. The runner-ups included Bob Hamman, Hemant Lall and Bart Bramley who were members of the team that took third in last year's national final and Chris Hamman. After 48 boards the final margin was 8. The Morse team led by five after 32 boards and held on in a match many pivotal hands.

The same Flight A team also won Flight A in 2006 and after adding Greg Hinze and Mark Bumgardner they finished second at the Chicago Summer Nationals. This year they will augment their team with two of the most promising players of the 1970's, John Bromberg and Paul Burka. Paul was a Scorecard editor in 1980's.

Robert Reichel and Herbert Kalman of the Flight C winners and Ira Hessel in the Superflight also won their respective Flights in the NAOP at the district finals in January earlier this year.

SACRAMENTO CA. & WHITE PLAINS NY — District 16 has players on three of the four Open and Woman teams being sent to São Paulo, Brazil this Fall to compete in the World Championships. The Seniors trials will be in July and we have some worthy entrants.

At the recently concluded Open team trials in White Plains, New York, Bob Hamman's powerhouse squad came from behind to capture the USA2 spot. Bob was playing with Zia Mahmood on a squad that included Jeff Meckstroth, Eric Rodwell, Richard Freeman and Nick Nickel.

In the Woman's team trials, Lynn Baker was on a team that narrowly defeated a squad that included Shawn Quinn and Peggy Sutherlin to

qualify as the USA1. Shawn and Peggy then went on to win the play-off for the USA2 team, so District 16 will have players on both USA women's teams in Brazil. If they both prevail in the early going they will have to meet in the semifinals, as only one USA team can reach the finals. Baker's team includes Kerri Sanborn, Beth Palmer, Karen McCallum Irina Levitina and Lynn Deas. Baker's husband, Sam Dinkin, is NPC. Shawn and Peggy's team includes Renee Mancuso, Connie Goldberg, Pamela Wittes and JoAnn Sprung.

All the trials were featured on the viewgraph at Bridge Base online. Many of the matches featured thrilling hands and exciting finishes. Two redoubled slams that could have been defeated on opening lead

but were not were observed. In the match to determine USA2 there was some vuja dé when Hamman was defending 5C redoubled! The lead here didn't matter and the 1600 our man picked up yielded 19 IMPs and essentially settled the match. Check out the action at <http://www.bridgebase.com/> to watch the São Paulo action this Fall.

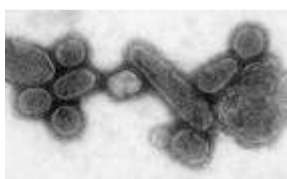

In the Youth trials to determine a team to play in Turkey former D16 members Zach Brescoll and Justin Lall won the right to represent USA. Justin will be playing with Jeremy Fournier who is currently living in Dallas so we can temporarily claim this pair as our own.

Ira Hessel

District 16
President

After many years of volunteering and all the time spent on the recent Houston nationals Toni and Eric Snow are taking a well deserved hiatus from their current posts. On behalf of District 16 I would like to thank them for their many contributions which are far too many to list here, and wish them both well.

Scott Humphries has been appointed as Chair of the Jacoby Awards committee and Donna Compton as Chair

of the Scorecard committee. Betty Starzec will be the chair of a new committee, Unit Growth Strategies. The purpose of this committee is to gather and share strategies that have introduced new players to duplicate and have helped retain the newer members. After a long steady decline ending in the early millennium, the District has continually increased its membership (see membership chart on page 16) and will endeavor to continue to do so.

One of the fundamental objectives in our bylaws is "To preserve and promote the best interests of the competitive or tournament form of contract bridge and any modifications

thereof." To this purpose a committee has been formed on Tournament Standards, whose chair is not yet been determined. Anyone who wishes to serve on/or contribute to any of these committees can contact the above noted chairpeople or myself.

Here's hoping to see you all at the San Antonio regional. Please feel free to talk to me about any recommendations or information that you feel will help improve bridge in any way at any level. A deeper perspective is continually gained by chatting with players from all levels.

Judicious Ruling *By Ira Hessel*

Once, when I tried to give a hand to Spider Harris, he exclaimed-"Do I ever tell you rulings!" Well I always asked him for some good ones. This one is for you old friend.

My New York friend Bob Heitzman reported an interesting ruling at the recent nationals. It seems that throughout a round the east-west pair was being particularly abrasive to Bob. So when Bob made an obvious claim, on a hand he was declaring, they asked him to explain his plan. Bob then simply used a euphemism that New Yorkers substitute often for an exclamation point. The director was summoned and Bob was given a 3-IMP penalty for spreading some Manhattan culture. But to be fair, the director checked with some other north-south pairs in the same section and the penalty was reduced to 1-IMP.

**Garner McDaniel**

1919 -2009.

Garner McDaniel of Houston passed away May 28. She was a very successful figure on the national scene in the 60's. From 1962-1967 she won 3 Nationals and was second in 4 others. We thank Dr. George Pisk for the following:

I was saddened recently to learn of

the demise of my dear friend Garner McDaniel, whom I have known and admired for half a century or thereabouts. Garner had many personal, financial, and familial problems in her hard life, but she managed to cope with all of them with courage, grace, and a terrific sense of humor. Back in the distant past, we played bridge together occasionally, and I found her to be a fearless competitor who generated lots of action. Once we were entered in a small tournament, playing in a so-called "Revenge Mitchell" movement where one plays 3 boards per round and finishes with another 3 in the last round against one's first-round opponents. I wish I could claim credit for some of our good results, but they were mostly due to Garner's psychological dominance of the poor befuddled opponents. I never had the slightest idea of what she was doing, but then neither did they. Believe it or not, we scored six absolute tops, a 100% showing

against a single pair which I have never even come close to duplicating again.

Unfortunately Garner lived most of her life many miles from me, so that I was not able to enjoy her always cheerful company as often as I would have liked, but it was always a treat to visit with her. I have many fond memories of this fine lady, and shall miss her very much.

Dr. George M. Pisk

Instructions for Submitting Photos

1. Use a flash to insure adequate lighting.
2. Choose a background that does not have distractions.
3. For team photos, have the two tallest members sit down, and the two shorter members stand behind them. Ask the ones standing to lean in a little so everyone will be

in focus.

4. Center your photos, so no cropping will be necessary later.
5. Have the players write their names, the date, and the event they won on a sheet a paper. Have them write their names as they are positioned in the photo: left, right. For team photos: left rear, right rear, left front, right front.

6. After downloading the photos on the computer, rename the photos by the players' last names as they appear in the photo. For example: Hamman-Wolff for a pair; or Meckstroth Rodwell Nickell Freeman using the format left rear, right rear, left front, right front for teams.

North American Open Pairs

By Ellen Hessel

The North American Open Pairs has been a major open pairs championship since its beginning in 1979. The prize for coming in first in your district was a free trip to the site of the Spring North American Championships so you could play in the finals. It was initially known as the Grand National Pairs, but in 1987 the name was changed to the North American Open Pairs Flight A to accompany the birth of the North American Non-Life Master Pairs. The event continued to evolve when in 1992 the league added a Flight B (under 1500 masterpoints). Additionally, there's now a Flight C category. The 2009-2010 NAOP flight eligibility is as follows: Flight A is open to any player, Flight B is for players with less than 2000 MPs as of the 2009 June masterpoint cycle, and Flight C is for Non-Life Masters with fewer than

500 MPs as of the 2009 June masterpoint cycle. Enough for now of the background, as the point here is to encourage everyone to come out and play in this really awesome contest! It all begins at the club level where you need to play and finish in the top 50% of your field. There are multiple opportunities to succeed at this initial stage which are to be set during the months of June, July and August of 2009. Check your local club schedules to see when they will be holding these special games, as you may not continue to the next level without first qualifying at the club. The next tier is the local unit qualifying game (there's only one of these per unit) which usually takes place sometime in the fall (the Sept./Oct. *Scorecard* will be publishing the particulars). There, you must finish in the top 50% of your field (the flight you're playing in) to qualify for the district level which will be held on Jan 9-10,

2010 in Austin. The prizes for winning at the district level have also undergone some changes. First and second place in each flight now receive cash from the ACBL - \$700 per person for first and \$300 per person for second. In large fields when four pairs qualify second may get \$700 a player as well. The 2010 Spring North American Championships will be held in Reno, Nevada. \$700 would certainly be plenty for a decent flight and hotel with a bit left over for "some other fun." I'm fairly certain that many of you have been asked by non-bridge players, "Bridge, this game you love so much, what do you get for winning?" I know that I often seem to have some difficulty with this query, but not when it comes to this event! So here's wishing you luck and hoping to see you out there competing at the club, unit, and district levels of the NAOP and maybe even in Reno!!

"The Good Old Days"

By Ira Hessel

"plus ça change, plus c'est la même chose" - Jean-Baptiste Alphonse Karr ... "The more things change the more they remain the same"

Recently I have been getting a lot of

emails pointing out how great life was in the mid part of last century. Nostalgia is a powerful force but all of these observations ignore the real progress man has made as well as many problems. Remember the endless problems with TV and radio, the

cold war, no air conditioning, 2 hour subway rides to school? Despite the nightmares of the news today it is the safest time to be alive! My father's car never started easily in the cold (I did increase my vocabulary) and I could not produce a good typed

paper for love or money. Sure I miss the \$2 Knick, Jet, Met and Yankee tickets but I can now watch all the Spur games at home in giant HD. If not for advances in medicine I would have been blind 9 years ago. If you dropped out of school you were drafted.

As I move toward adulthood I reflect on the changes in bridge in my lifetime. I started playing in the 70's. When I started playing bridge I was a graduate student in Austin. I spent the 60's in Greenwich Village and the 70's on 6th street in Austin. I was born at the right time.

We bid audibly without bidding boxes. Reviews were commonplace. Down 4 doubled was 700. There were 7 events in a regional and 6 events in a 4 day sectional. Regionals were reported in the ACBL bulletin and only 1st and 2nd were listed. Only 7 pictures. Saturday pair games at sectional were 2-session qualifying events. There was always the consolation. The internet was still a gleam in Al Gore's eye. The Scorecard was 8 smaller pages and had an average of 15 pictures. Often a lot of the content was not regional but covered national team trials and events.

I was proud of the 0.06 masterpoints I won in my first duplicate and beamed brightly when I made junior master-1 point. At the clubs we received masterpoint slips that required the hassle of having to be mailed in but the play was still the thing. One time I did scurry to get my points in so I could qualify for the Master's pairs at the San Antonio nationals. I had to get up to 20 points! Many players smoked at the table incessantly. Swiss teams were 8 rounds of 7 and we started at noon or later on Sunday. The second session was at 5:30 and they always

served a hot meal.

In the 70's they introduced flight B and eventually C and AX. The first Grand National teams was one flight and everyone had to qualify at the Unit level. At the district finals 64 teams played four round robins to get down to 16 and another round robin to get to 4 or 8 for KO. The final was 64 boards. It was played on Monday. In Houston in 1978 72 teams played at the qualifying stage to send 12 teams to the district finals

There was one KO at the regional. There was a Swiss team qualifier of 40-80 teams and the 16 top teams started the KO round. They played it in the mornings and the matches were 32 hands each. I remember sometimes the finals on Saturday morning was on vugraph with commentary. Winning one was quite an accomplishment. I remember the first time I took second to a team that included Hamman, Soloway and Goldman by 6 IMPs. In that atmosphere second was quite a feat and my reward was that I got to play Hamman backgammon for the first time.

A non-bridge playing friend's mom started when Ely Culbertson was still the man. She didn't become LM until the 90's but I saw her at every local sectional before and after. She played because she loved the game.

We always had a dance Saturday night at regionals. It was nice to see Dallas return to that. Folks dressed up for the mixed pairs. We partied and socialized a lot after the game.

People traveled to regionals and sectionals. A sectional in the 60's (this was a bit before my time) in Fort Worth drew players from New Orleans, Chicago, New York and the west coast. Lifemaster was the highest rank and did not require more than 3 colors. There was a total of 10 LM's in the 1930's originally and no-they never gave one to Ely Culbertson. They did make him an "honorary" LM. Who was he? Check the internet if you must know. He was to bridge what Newton was to gravity.

Well I still love the game. The intrinsic appeal never wanes. The variations in format are often well intended. The price of entries has increased less than 2.5 % a year. Bidding boxes, time clocks and no smoking greatly enhances the game. Players have many more resources to improve their game. I cherish the friendships that I have made and know wherever I go, anywhere in the country, I will rekindle them. Old friends seem to always come out of the woodwork. The volunteers that really make the game thrive are plentiful. New friends abound. Bridge attracts highly intelligent and interesting people. Studies show that bridge players remain lucid and productive much longer than non active folks. I don't look back with regret and anticipate a bright future for bridge. I am well knowing that in a few years that today will be the good old days. Enjoy.

Eddie Wold is #3 on the all-time ACBL list with over 54,000 masterpoints. A World Champion, he has won the Barry Crane Top 500 three times. He has won 13 National Championships and over 600 Regionals.

Bob Morris has earned over 13,000 masterpoints in his career and is a perennial top 50 finisher in the Barry Crane Race. He is a 2-time National Champion and has captured over 200 Regionals. Formally trained as a high school teacher, he is comfortable teaching students of all levels.

Lisa Berkowitz is a World Champion, a 16-time National Champion and a Pan-American Champion. She taught at both Honors and Hartes bridge clubs in the New York area before relocating to Florida. She is especially adored by her students of all levels.

David Berkowitz is an author, an editor of The Bridge World, a 26-time National Champion and a silver and bronze medalist at the World Championships. He also won the Pan American Games and the prestigious Cap-Gemini tournament. He is one of the ACBL's top 20 Life Masters. He frequently lectures and typically leaves them rolling in the aisles.

Congratulations to our members achieving new levels in the ACBL. Carole O'Connor garnered 49 gold points in Gatlinburg and became a new Life Master. Terry Rice also earned Life Master status. Annette Frasher reached Bronze Life Master. Jerry Harrington and Patricia Jackson achieved Silver Life Master, and C. David Mitchell became a Gold Life Master.

We're currently gearing up for the very popular Fourth of July Regional Tournament - June 30-July 5, 2009 - at the Omni Hotel on I 10 West - just north of Wurzbach. Come and enjoy great bridge, speakers and San Antonio hospitality. Check out our flyers in print or on line at the ACBL, District 16 and Unit 172 web sites.

Our unit has set up a few Pro-Am events. The next one is July 18 at the Bridge Club of San Antonio. Out of towners will be welcomed with open arms. Call 210-590-9100 for times and directions.

On a personal note I want to thank all of the Unit 172 members who called, sent cards, had consoling words, gave hugs and attended one or both of the services for my son who passed away May 5, 2009. It is the worst thing in the world to bury your only child. We have established

Unit 174 Houston

Anne Page

Condolences to all who mourn the recent deaths of these members of our bridge community: Raleigh Barker, Pat Elmendorf, Jane Ely, Allen M. Kinghorn, Joe Levine, Marie Provenzano Lout, Garner McDaniel, Betty G. Miller, Georgia Sampson, Jay Strassner, Ruth J. Tausch, Earline Winn. Sympathy to Patti Mullendore who is mourning the death of her husband.

Best wishes to Sue Adamson, Bob Dowlen, and Robert Reichek, our new members of the Board of Directors voted in at the Election Sectional, as they begin their duties. Thanks in advance to the Board's elected new officers, Pat Levy (President), Paul Cuneo (Vice President), John Erickson (Secretary), and re-elected non-Board member Jim Woodward (Treasurer) for the countless hours of volunteer work they will be doing for us.

Congratulations to Marcella Thomas and Karen Nimmons for winning the 2009 Unit Goodwill Award which was presented to them at the May Election Sectional.

From among the 2,328 tables that played in the April District 16 STaC where 6,675.82 masterpoints were earned by 2,773 players, several of our Unit 174 players placed high in the rankings list. Congratulations to #12 Gil Micheletti (20.70), #15 Anton (Tony) Haddad (20.17), #16 Pat

Levy (20.16), and #19 James Hibbetts (19.57).

Our second Social Bridge Day on April 25 consisted of class for 2 hours in the morning, a catered lunch, and an afternoon 3-section (6-5-5) duplicate bridge game at which the 16 tables played 5 rounds of 2 boards each and prizes were awarded to top winners. The committee, Bert Onstott (Chair), Sue Adamson, Laura Lee Jones, Gary King, Anne Knott and Pat Levy deserve many pats on their backs for this successful Unit event! Special thanks to Gary King for teaching the class and to Bill Baker, Betsy DuBose, Mimi Hagedom, Jolie Hess, Robert Reichek, Vic and Joan Sitton, Don and Phyllis Timko, and Jim Woodward who volunteered to be helpers that day. (If you would like to work on the next Social Bridge Day, please tell any Board member).

Thanks to Chuck Michalski for being the brave soul who volunteered to try to fill Arlene Weingarten's shoes as publisher of the Unit's periodic email newsletter. My take after seeing his first two issues is that he's doing a great job! He needs your help keeping in touch with Unit happenings, so please send him "all the news that's fit to print" at camichalski@sbcglobal.net or call him at 281-221-0613 (hm) or 281-251-1682 (mb).

We had 476 tables at the May Election Sectional, and 1,832.67 masterpoints were earned by 514 players. Our top winners were #1 Dianna Gittelman (43.17) and #2 Anthony Bianchi (33.85) followed by an almost 3 way tie of #4 Tony Haddad (25.65), and #5/#6 J. Gittelman (25.61) and Gary King (25.61).

Eric Snow presented the final financial report of our successful Spring NABC at the June 1 meeting of the Board. Approximately \$51,000 is being returned to us!!! This money will be used in ways that will benefit the Unit's members.

79.70 masterpoints were earned by 65 of the players at 40 tables attending the May 299er Sectional. Top winners were #1 Margot Leonard

(4.20), #2 Catherine Gonzales (4.04), and #3/#4 Stephen Banks and Carol Banks (3.03).

A new Online Unit 174 Directory has been created on the Unit 174 Website for the convenience of members who use the Internet. To access it, you must register with your ACBL number and a password of your choosing (which can be the same as the one you use for the Online Partnership Desk if that one meets the criteria for this one or you can change that one to match as I did). Then log in using your ACBL number and password and click on Unit Pages/Unit Directory to access the directory (or vice versa as these actions can be done in either order). Thanks to Bert Onstott, Webmaster, for this terrific addition. Your data is secure because only members of ACBL Unit 174 can gain access to this area of the website.

Congratulations to these recent Life Masters and Masterpoint Achievers for their accomplishments: NEW LIFE MASTER (300+ MPs): Judy Brown, Gary Hercules, Terri Orlean, John Taylor, Steve Varner, Kathy Watkins, Eric Watson. BRONZE LIFE MASTER (500+ MPs): Allen Brandt, Rick Burton, Beverly Cheatham, Carolyn Campbell, Lana Guise, Pat Kubicek, Ann McDougal, Margaret Raymond, Robert Reichek, James Simmons, June Smith, Charles Tillery, Elizabeth Ward, Eric Watson, Carol Wilson. SILVER LIFE MASTER (1,000+ MPs): Lily Andre, Paula Hradecky, John Lai, Phyllis Maness, Gabriel Perry, Charles Sommer, Yvonne Strangmeyer, Nancy Tiner, Richard Wilson. EMERALD LIFE MASTER (7,500 MPs): Pat Levy.

Lots of applause for Eric Snow for his many outstanding years of service as our Unit 174's representative to District 16. He has asked to step down and many thanks go to Bert Onstott for accepting the Board's unanimous appointment to the position.

After the dust settled at the District 16 GNT 2009 Playoffs during Memorial Weekend, our Unit ended up

being well represented in the Finals. Dan Morse is on the winning Super-flight team. Our team of Henry Casper, Bill St. Clair, Vin Tran and Bill Lease tied with the Carolyne and George Fox and Jane and Robert Matcha team for #3/#4 in Flight A. Our teams of Daniel Jackson, Duane Friedrich, Mark Walle and William Gervais took #2 in Flight B and Katherine and Bert Onstott, Donna Sparks and Nic Prado were part of a Flight B tie for #3/#4. Then #1 in Flight C was grabbed by our team of Brett Elliott, Robert Reichel, Herbert Kalman, Harry Elliott and Byron Elliott. Good luck to all at the Summer NABC in Washington DC.

With the arrival of summer comes the club level qualifying games for the North American Open Pairs competitions in Flights A, B, and C. They began in June. If you haven't qualified yet, check your club's schedule for its NAOP dates in July and August. You must qualify at the club level to compete in the unit level NAOP in October in which qualifies players for the District NAOP in January from which the winners compete in the Finals at the Spring NABC.

After enjoying this August's Sectional at the Westchase Marriott, you can look forward to being there every August through 2012 as well as for

our February Regionals thanks to our Board's excellent negotiations with hotel management.

If you have news to share, please send an email to annepage@hal-pc.org or leave a phone message at 281-442-1509 (days).
