If you missed the fall NABC in San Diego, you missed quite a show. No, not "My Fair Little Old Lady," a spoof on "My Fair Lady" that was truly a hoot, but the show put on by District 16 players. We (the imperial "we," that is) had five firsts and four seconds in NABC events!

Mike Passell of Plano won not one, but *two* events: the Senior K-O Teams and the North American Swiss. Am I surprised? Hardly. Mike is #2 on the ACBL's list of masterpoint holders with 63,238 (more than 8,000 points ahead of third place!), and was recently inducted into the ACBL's Hall of Fame. The Senior K-O was six days and the NA Swiss was three, but the nationals are only ten days long. Do the math: Mike won the only two NABC events he had the time to play in! Let's give him a hand. No, two!

Bob Hamman of Dallas won the Reisinger Board-A-Match Teams for the twelfth (!) time. Bob's team has such a monopoly on the team events at the NABCs the other teams are urging Congress to pass legislation to end Bob's monopoly on the Vanderbilt, Spingold and Reisinger. Apparently, there's no other way to stop him! Congratulations, Bob, on another major victory.

Bart Bramley, also of Dallas, won the Blue Ribbon Pairs, the prestige pair event at the fall NABC. 346 star-studded pairs contested the event. Bart and his partner had played together only once before and on that occasion won the von Zedtwitz Life Master Pairs, the banner pair event at the summer NABC. That makes Bart one of only a handful of players to win *both* premiere NABC pair events. Here's to Bart on this wonderful accomplishment.

Shawn Quinn won the Life Master Women's Pairs. You may have noticed that I did not identify Shawn's home town. That's because she's been living in Poland and is moving to Switzerland. Still, Shawn has maintained her District 16 affiliation as her "home away from home." Being out of the country and away from bridge has obviously not hurt her game! Congrats, Shawn!

Hemant Lall of Dallas had two seconds in San Diego, one in the first event (the Nail Life Master Open Pairs) and one in the last (the North American Swiss Teams). Hemant was playing with his son, Justin, who was once a District 16 denizen, but now lives in New York. What a thrill that must be: having success at the table with your offspring! We're proud of them both.

Tobi Sokolow of Austin was second in the Women's Board-A-Match. Being second can be the best of times (coming from nowhere) or the worst (you're leading and lose your last match). Going into the last round, Tobi's team was three boards behind two other teams. The only way to finish second was to win all three boards and hope one of the leaders lost all three-- and that's just what happened! (No, they weren't playing each other). According to Tobi, this runner-up finish felt more like a win. Good job, honey!

Gerrie Owen and Leonard Schaen of Dallas were second in the 0-5,000 Blue Ribbon Pairs, a two-day event for players with less than 5,000 masterpoints. A monster 62% game in the first final session, coupled with a 55% game at night, propelled them from 22nd place after the first day all the way to second. In fact, they almost won the whole enchilada. Way to go, guys!

Several District 16 players had top ten finishes in NABC events. In the LM Open Pairs, Chris Compton, Dallas, was third, and Dan Morse, Houston, and Ira Hessel, San Antonio, ended up sixth. Peggy Suther-

lin, Dallas, was fourth in the Women's BAM. Tobi Sokolow took seventh in the NA Swiss. In the LM Women's Pairs, Lynn Baker, Austin, finished eighth. In the Open BAM, Robert Morris, Houston, was tenth. And in the 0-5,000 BR Pairs, Jonathan Holmes, Houston, was sixth. Congratulations one and all!

The Spring NABC will be held in Reno from March 11-21. Reno has a lot to offer, and I'm not just talking bridge. There are casinos galore for those who like to gamble. Reno's proximity to Lake Tahoe means that fabulous skiing, hiking and luxuriant natural beauty are a mere stone's throw from your hotel. So no matter what your proclivities, Reno has something for you. Just in case I don't see you there, a happy, healthy and satisfying new year to you and all your loved ones!

Wonderful San Diego The weather was 70's in the daytime and 60's in the evening. The Manchester Grand Hyatt was great, good lighting, lot of room and all in one location. The food service was expensive but there were plenty of places you could walk to or a short taxi ride that were fine. The Tournament was a success with 12927 tables, more than anticipated. The tournament chairs Ken Monzingo and Bonnie Bagley and there volunteers did a great job. Special congratulations goes to Peter Rank for his production of My Fair Little Old Lady that was available for 4 nights and got rave reviews. Also a reading by Gary M. Pomerantz with an enactment of the shooting of Jack Bennett was very well done. By the way, if you have not read his book, "The Devil's Tickets", I strongly recommend it.

Management recommendation for the site of the 2014 Spring NABC to be in Dallas, TX March 20-31 was approved by the Board.

Membership October continued the strong pattern of 2009 with a net gain of 623 members. Total gains for the ten months=3039. District 16 has done its part with an increase of 702 members and a net increase of about 290-300 members. The districts who use the Cooperative Advertising Program the most are the ones with the largest increase in membership. The ACBL is creating Branded Radio "spot" templates, which will be offered to clubs, teachers, units for personalization so they can place them at their local radio stations. A portion of the radio ad fees would qualify for the Cooperative Advertising reimbursements. The number of ournament tables is increasing and with our rising membership, I expect tables to be up again next year.

Real Estate The target date for the new building in Horn Lake, Miss. is March 8, with the Library and Hall of Fame to be ready about a month later. Management is very pleased with the new building and hopes that anyone visiting the area will stop by once it is finished.

Finance The ACBL is in good shape financially, despite both 2009 and 2010 being budgeted a loss. To keep the loss in 2010 under \$70,000 the Board approved the following increases in fees.

1. Membership dues will be increased for \$35 to \$37 which is the

first increase in 4-5 years. Life Master Service charges are increased from \$32 to \$34. New member fees are increased from \$26 to \$28. The new member fee will take effect 1-1-11. The other fees will start 4-1-10. 2. Tournament director's fees will increase by 8% effective 4-1-10.

Learn to play bridge Due to popular demand, the *Learn to Play Bridge* software has been reprinted on CD format. The CDs are now again available for teachers and clubs to use as a handout tool to help encourage and promote learning how to play the game of bridge.

AARP The ACBL had a booth at the AARP convention. There were 24,100 attendees during the 3 day event and it is estimated that 25% of the attendees paid a visit to the ACBL booth. The ACBL has created a tradeshow strategy plan and if anyone knows of a large trade show you think we would be interested in, let me or the ACBL know.

The ACBL now has a *Facebook* page and *Twitter* account if anyone would like to join.

Election of the ACBL president will be moved to the fall meeting from the summer meeting.

A motion was passed that the 0-5000 Mini-Blue Ribbon Pairs be increased from four sessions to six sessions concurrent with the Blue Ribbon Pairs.

ACBL Honorary members of the year (2010) are Warren Buffet and Bill Gates, a very good selection in my opinion. These guys have generated lots of publicity for bridge over the last several years.

The minimum number of boards required for a Newcomer Game has been reduced to 6, which will help teachers when then give lessons to new players.

The Board eliminated the requirement to pre-alert 5 card weak 2's, 6 card 3 level pre-empts and undisciplined pre-empts. No one was doing this and it was not being enforced.

2010 will be a good year for bridge. We have 3 good NABC's, Reno in March, New Orleans in July and Orlando in November. We also have an Open World Championship in Philadelphia Oct 1-16.

I plan to attend all 4 and will be looking forward to seeing as many of you as can make it to these great tournaments.

All the best

Dan

Houston Celebrates Eric Snow Day

During the Humble Halloween tournament, Houston honored **Eric Snow** for his long and decorous service to Unit 174, by naming a day for him and giving everybody some cake. Eric chaired many regionals, sectionals and two of the best Nationals ever! (Houston is who ACBL recommends you call when you have never hosted a National. They've sent their "book" on how to run a successful tournament to many, many districts.) Eric served on the unit board for nine years and was district board representative for too many years to count as well as serving as president of both District 16 and Unit 174 many times. Toni says he is a terrific bridge partner to boot! Additionally, he has always given free financial advice to Unit 174 and District 16. Eric was the guy who always stayed after every tournament to load all of the equipment into storage crates. He even helped

clean out and inventory the unit warehouse. Eric has won the Jacoby Award, the Unit 174 Texas Star and ACBL's Goodwill Volunteer of the Year.

Thanks for everything, Eric! You're what makes District 16 shine so brightly.

Playing in the Big Time by Ira Hessel

We always appreciate the contributions of the D-Team (Dan Morse, Dewitt Hudson and David Sokolow) who so ably report on the three nationals. I would like to add a report from a player's perspective.

Since semi-retiring in 2004, I have been able to attend most of the recent nationals. It's been doubly rewarding for me. First, the opportunity to test your bridge at all levels and secondly, I have made lasting friendships with many interesting people.

Playing in national pair games you soon realize that you really don't need huge games to do well. While a 60% score often is out of the overall in a local tournament you can place reasonably high in a national with 4 55% games. Two 60% games in the last two-sessions of a four-session pair game will often be in the top 5 even with a poor carryover. With a decent carryover you just might win.

At nationals there are so many players playing, that each day can have competitive games at all levels. Even with over 700 players in the prestigious Blue Ribbon Pairs, there were 364 pairs coinciding in the mini-Blue Ribbon pairs for those with fewer than 5000 masterpoints. I am proud to say that 2 players from Dallas, *cont. on page 10*) **Nationals**

Unit 172
San Antonio

Rebecca Brown

Fall brought us more opportunities for good company and plenty of bridge—not to mention all the holiday goodies to eat! The Bridge Club of San Antonio hosted a well-attended Fall Sectional, kicking off the holiday season for lots of pairs and Swiss teams. Thanks to Carol Campbell and her hospitality team for all their efforts.

By the time you read this, we will all have enjoyed the Turtle Creek Holiday Party (Dec. 5) and the Unit Party (Dec. 12) at the BCSA.

As we enter the New Year, our Unit is pulling out the stops to encourage more bridge playing at all clubs and all levels. We want to share the joy! There are many clubs in the Unit that have weekly games at various San Antonio locations (Turtle Creek, Bridge Club of San Antonio, the Dominion, Fair Oaks, and Randolph) as well as clubs in Gonzales, Kerrville, Karnes City, and New Braunfels. Some of these clubs are by invitation only, so please check our website to be sure. Otherwise, let's support these clubs with our playing presence when we can; it is certainly great to have their players join us at our San Antonio central locations for our events!

Part of our effort to bridge the gap (pun intended!) between new and experienced players involves significant (and often free/low cost) bridge instruction at both Turtle Creek and BCSA. Jeri Tribo and her colleagues are energetically including 299'er play through special novice games at various Unit clubs and an active mentor/mentee program. Additionally, Turtle Creek is starting a regularly scheduled ProAm team game on Monday nights for teams of 199'ers and Pros in an effort to increase the comfort for newer players in open sessions. Both San Antonio clubs also feature rubber bridge games and on-going "graduate" level bridge instruction with one-session special topic formats. Last, but certainly not least, the Board has approved paying the ACBL membership for first-time members who reside in Unit 172. The initiative extends through Dec. 31, 2010.

We note with sadness the passing of Carl Morris, a true gentleman who had a solid game. I understand that he and his long-time friend and partner, Roger, came in first in the last game they played together before Carl's death.

Milestones: We note with delight that: Susan Hernandez and Terrence Rice have earned Life Master status; Jo Kuehl and David Morris earned Bronze Life Master; Dan Blaettler, Marjorie Donegan and Becky Mosely earned Silver Life Master; and, Jo Grabow and Carolyn Riely are now Gold Life Masters. Congratulations to all!

Unit 172 North American Pairs Unit Finals were held at Turtle Creek on Oct. 3. First -place winners were: Diane Olson-Gary Anziani (Flight A); Gene Britton-Mary Britton (Flight B); and Annemarie Weaver-Dee Baker (Flight C).

For those among you who haven't seen it yet, check out the bridge blog of Judy Hoffman, a Unit bridge devotee, at www.bridgenewbie.blogspot.com. She has done a marvelous job of chronicling some of the foibles and challenges of a "newish" bridge player. We can all relate! Upcoming events: Sectional at the Bridge Club of San Antonio, Janu-

ary 15-18, including both pair and team events. Check out the website for details.

Condolences to all who mourn the recent deaths of these members of our bridge community: Marilyn Barry, Barbara J. Dougan, Harding Frankel, Barry J. Galt, Eugene W. Hoover, Lynn Graham, Verlon B. Kitchen, Dib McGee, Douglas R.

Page, Nydia B. Snook, Fred Wang, Barbara Wenger, Carol Wood.

1936.02 masterpoints were earned by 507 players at the October Sectional's 463 tables. Congratulations to Kerr Godfrey, Thomas Peters, and John Zilic whose 29.33 caused a 3-way tie for Top Scorer.

We had 35.5 tables at the clubs participating in the October Pro/Am. First Overall went to Patsy Howell and her pro, Mack Meigs; Second was Patti Mullendore and her pro, Eric Watson; and Third was Robert Hannasch and his pro, Barbara Phillips. Congratulations to these winners and all others who earned masterpoints that night.

Sincere thanks from me, Anne Page, to the Board of Directors and the bridge friends I have been told anonymously donated money to name an event at the Lone Star Regional in February 2010 in memory of my husband, Doug Page. He was a popular Unit 174 caddy for many years until health issues caused him to stop during 2008 and resulted in his death on November 6, 2009. He didn't want a service or an obituary, so I am very grateful for this special public recognition of his bridge community service. Thanks again to all who contributed and very special thanks to Joyce Ryan, the Board member I've learned is the person who proposed and implemented Doug being honored this way. I will always remember your kindness.

91 players at 61 tables at the November 299er Sectional Tournament earned 113.08 masterpoints. First overall was a tied pair, Shari Winston and Gary Winston (4.40), Second was Margot Leonard (3.41), and Third was another tied pair, James Ochsner and Allison Ochsner. Congratulations to all.

Ooops! What I received and reported last time about Connie Burnett was not correct. Instead we actually have Lynn Luster, Connie Montgomery, and Janet Williams jointly serving as New Player Services Coordinators. Thanks to each of them for doing this important job.

Congratulations to these recent Life Masters and Masterpoint Achievers for their accomplishments: NEW LIFE MASTER (300+ MPs): Norma Becker, Myrna Dorman, Joe Everette, Marvin Greenfield, Marilyn Jordan, Janice Kofman, Diane Konick, Brent McDaniel, Claudia Parr, Betty Jean Reeves, Jane Rice, Kailash Sachdev, Mercedes Snyder, Dick Zinser. BRONZE LIFE MASTER (500+ MPs): Norma Becker, Hortense Brinkley, Bonnie Burkhart, Richard Burkhart, Peggy McKay, Christy Morrissey, Nicholas Rasmussen, Brian Stevens. SILVER LIFE MASTER (1,000+ MPs): Daksha Adhia, Sam Dodson, Hallie Eads, Brenda B. K. Singh, Mary Jo Torczon. GOLD LIFE MASTER (2,500+ MPs): J.N. Gittelman. Marty Hoover. SPECIAL MILESTONE: Eddie Wold, a multi-event winning Grand Life Master and full time professional bridge player, has topped the 55,000 masterpoint plateau!

Unit 174's Grand National Teams Qualifier for Flights B and C will be held at Houston Bridge Studio on Sunday, February 21. It is a 2-session event, starting 11:00 a.m., and the top 50% of the field qualifies to compete at the District final in Richardson on Memorial Day weekend. Wolf Schroeter will be directing.

There's still time for you to name a Lone Star Regional Event! It's a great way to honor people special in your life like bridge teachers and pros, directors, partners and spouses or remember those who have passed on.

Just \$50 for a single session event, \$100 for a 2 session event, \$150 for a 4 or 5 session event! Contact Marsha Bernstein to reserve an event. Email marshaberns@sbcglobal.net, call 713 - 857-6088, or see her in person at various bridge clubs in this area.

New at our Lone Star Regional will be our Board's trial of electronic scoring. Rented units called BridgePads will be used by the north players in LSR open pair games to record each result, and one opponent will OK it. BridgePad will then transmit the result directly to the Directors' table. This will eliminate the use of pickup slips, and caddies will not be needed for sections using BridgePad. All team events and I/N games will be scored in the traditional way.

Congratulations to all our Unit 174 North American Pairs Qualifiers for the District 16 NAP Qualifier in Austin in January for the National Finals at the Spring NABC in March 2010 in Reno. Applause for our Top Scorers Ralda St Pierre and John Erickson (Flight A), James Woodard and Vijay Shirsat (Flight B) and Kristy Garrison and David Garrison (Flight C). Any of you who qualified and haven't yet notified Robert Reichel if you intend to compete should please call 713-861-6961 or 713-799-9380 or email reichel@dyad-inc.com right away. If he knows you are not going to continue, he can fill your spot with the highest scoring non-qualifier.

Thanks to Dianna Gittelman, Chair of this year's Nominating Committee, and her committee members, Joyce Gautier, Chuck Gillis, Mary Jane Kinnebrew, and Lew Levy, for the slate of prospective Board members for whom we will vote during the Election Sectional the weekend of April 23-25. In order for your vote to be counted, you must vote for exactly three of the six candidates who are Beverley Cheatham, Richard Duble, Chuck Ensor, Jolie Hess, Mary Jane Kinnebrew, and Robert Morris. Unfortunately the Shriner's new facility on Harwin Avenue just east of the Sam Houston Tollway will not be ready in time for the tournament, but fortunately the Westchase Marriott, our Regional site, is available and will be a terrific site for our Election Sectional. I'll repeat these election procedures next time but for you early birders who want to plan ahead ... TO VOTE IN PERSON, be at the tournament site during the hour before each session on Friday and Saturday or one hour before the Sunday morning session. TO VOTE ABSENTEE, send a stamped, self-addressed envelope along with a SIGNED letter to the election judges, Natalie Greene and Dale Crumbaugh, 32 Villa Bend Drive, Houston, TX 77069-1431. THE ADDRESS ON THE RETURN ENVELOPE MUST BE THE VOTER'S ADDRESS OF RECORD. If you are a member in good standing, an Official Ballot will be sent to you with instructions for returning it. All absentee ballots must be postmarked no later than April 12, 2010, and be received by April 16, 2010. Email any questions to dale-crumbaugh@gmail.com with "Election" or "Ballot" in the subject line.

The next social bridge event will be held at the Bridge Club of Houston on Sunday, March 14. Best wishes to the worker-bees for it to be even more successful than the two we've already done.

If you have news to share, please send an email to annepage@hal-pc.org or leave a phone message at 281-442-1509 (days).

Houston Unit 174 to Hold Board Election April 23-25, 2010

The approximately 2,500 members of Unit 174, whose participating clubs include Baytown, Bryan/College Station, Clear Lake, Conroe, Galveston, Houston, Kingwood, Lake Jackson, Livingston, Missouri City, Pasadena, Spring, Stafford, and Sugar Land, will have an opportunity to vote for three members of the Board of Directors April 23-25, 2010, during the Election Sectional at the Stafford Center in Stafford. The three newly elected members will join Paul Cuneo, Bob Dowien, Kathy Hughes, Karen Nimmons, Robert Reichel and Joyce Ryan to complete the full nine-member board. Dianna Gittelman, Chairman of this year's Nominating Committee, consisting of Joyce Gautier, Chuck Gillis, Mary Jane Kinnebrew, and Lew Levy urges all Unit 174 members to vote, either in person or absentee. To vote in person, you should plan to be at the tournament site during the hour before each session on Friday and Saturday or one hour before the Sunday morning session. To vote absentee, follow the procedure outlined below. Winners will be announced prior to the second session on Sunday, April 25. In order for your vote to be counted, you must vote for exactly three candidates. The candidates have been given an opportunity to introduce themselves and say a few words about their philosophies, goals and backgrounds. They are listed alphabetically and have been restricted to 100 words.

Beverley Cheatham

I've loved bridge since my college days. While studying accounting at the University of Texas, my friends and I would gather for an hour before the evening meal to learn how to play bridge. I was hooked!

After retiring as Financial Officer of a large public opinion research company, I found the joy of playing duplicate bridge. I've served on the Board of the Bridge Club of Houston during the time the club has doubled its capacity.

One of my objectives is to attract social bridge players to duplicate where they can discover how exciting the game can be. I would appreciate your vote.

Richard Duble

I am a native Galvestonian who left in 1958 to attend Texas A&M. I stayed for three degrees and a 47-year career in teaching. I joined the ACBL in 1998 and duplicate bridge replaced golf as my passion.

Thanks to the educational opportunities Unit 174 provides I earned my club Directors certification and currently direct two clubs in College Station.

I feel strongly that clubs are the backbone of the Unit and the primary source of new players.

I would feel privileged to serve on the Board of Directors of Unit 174 and to continue the outstanding service the Unit provides.

Chuck Ensor

In a previous life, I managed organizations and projects and did engineering. After retiring, I took some bridge lessons and the hook was set. For the last seven years I have played, learned, and worked to give back to Clear Lake area bridge.

I served as President of the Clear Lake Bridge Club for a year and a half, renovating the facility to accommodate growth. Since, I have been involved in directing, purchasing and local publicity.

If elected I would work to continue outreach for new members and encourage the transition from novice to life master to veteran player.

Jolie Hess

What can a position on our Unit Board of Directors do for me?

- It would give me an opportunity to serve the game we all love.
- It would give me an opportunity to funnel your input into action (I do know how to listen)!
- It would give me an opportunity to input my bridge experience.
- It would give me an opportunity to exercise the business expertise I acquired in over twenty years of running my own business.
- Most importantly, I hope this opportunity for me would translate into positive results for all Unit 174 members.

Mary Jane Kinnebrew

I'm running for the board because I think that after about 6 years of enjoying bridge in Houston, it's time for me to contribute more actively.

I've belonged to the ACBL off and on since I was 14. I enjoy the game and the people who play it. I was a community college professor for 25 years, so I have experience working in committee situations.

My major interests outside of bridge are my family and friends, Rice sports, travel, and my work as Volunteer Disaster Training Coordinator for the Houston Red Cross.

I would appreciate your support and your vote.

Robert Morris

I have been playing bridge since I was eleven years old. The game has been my hobby and my passion for many years. For the last fifteen years I have been teaching bridge and playing in tournaments all over the world.

As a former high school teacher, I highly value the importance of continuing education for all bridge players, both beginning and experienced. That will be one of my priorities.

It would be my privilege to serve on the Board of Directors for Unit 174. I would appreciate your vote and your support.

Absentee Voting Procedure

If you do not plan to attend the tournament, you should send a stamped, self-addressed envelope along with a SIGNED letter to the election judges, Natalie Greene and Dale Crumbaugh. Please address requests to Dale Crumbaugh, 32 Villa Bend Drive, Houston, TX 77069-1431. The address on the return envelope must be the voter's address of record. If the voter is a member in good standing, an Official Ballot will be sent to the voter, along with instructions for returning it. All Absentee Ballots must be returned postmarked no later than April 9, 2010, and be received by April 16, 2010. Please request absentee ballots early as no ballots will be mailed out after April 8. Send questions by email to chiefevmbaunika@unmail.com. Election or ballot should be in the subject line.

Unit 176
Dallas

Tomi Fitzgerald

Happy New Year, everyone! I hope you all had a great holiday season. It's hard to believe that it is 2010 already, but there is a lot of bridge to be played, so head for your clubs and get going!

The Unit Holiday party was a great way to end 2009. The Open game at Valley View BC and the 499'er game at Dorsey's Bridge Studio were both a great success. The Mini-Mac trophies were presented to the players winning the most points at the Unit games in their respective categories. Players brought unwrapped presents that were donated to our selected charity, as well as a dish to be served at the game. There were lots of presents and an incredible amount of food that somehow all managed to be eaten. Oh, and bridge! I also want to remind everyone that the Unit Game will be moving to the 2nd Sunday of the month in 2010. Mark your calendars and be sure to join us! (and don't forget that the number of points on your current ACBL notification determines where you should play - players going over the specified limits move to the Open game after they receive that notification in their bulletin.)

I'm also happy to report that several players from our unit had great success at the San Diego Nationals. Bob Hamman won the Reisinger (again!), Bart Bramley won the Blue Ribbon Pairs, Hemant Lall (playing with his son Justin) was second in the Life Masters Pairs and the North American Swiss, and Leonard Schaen and Gerrie Owen were second in the Mini-Blue Ribbon. There were lots of other master point winners, but these were our top-placing winners in Nationally-rated events. Congratulations to all!

Here are some upcoming dates for your 2010 calendar: January 21-24 is the Election Sectional, being held at the Richardson Civic Center and chaired by Dorsey Shaw. The new slate of unit officers will be elected, so be sure to cast your vote. March 4-7 is a new Sectional date, also to be held at the RCC and chaired by Donna Compton. The Unit 176 Ace of Clubs and ACBL Mini-McKinney awards will be presented at this event in a special ceremony at 6:30 Saturday, just before the evening session. Both sectionals have new and earlier

starting times, so be sure to check the flyers posted on the Unit website: <http://www.d16acbl.org/U176/>.

Another January 1st reminder: As on 1/1/2010, the number of master points required to make Life Master increases to 500 from 300. Colored point requirements also increase, but the requirements don't change for all players who were members as of 12/31/09. Be glad you paid those dues!

If you have news to report, please shoot me an e-mail at skeeter303@yahoo.com. This is a new e-mail address, so please make a note of it. I'm looking forward to hearing from you with any news, comments or suggestions. See you next time!

Charles Price to Teach Bridge

Recently I retired from being Dr. Charles A Price, a college professor at Southeastern Oklahoma State University, to Charlie Price the bridge teacher. I get to teach my true love -- Bridge. Beginning this January, I will teach two courses focused on helping the serious intermediate to advanced players improve their game to be competitive at the next level. The intermediate player will be able to compete with the A players in stratified events and the advanced player will be able to compete with the experts. Those courses are advanced 2-over-1 and team game strategies.

The advanced two-over-one course will include the full modified Bergen responses, when they should and should not be used, X,Y,Z, several super acceptance bids, splinter bids used in the middle of the auction, and a variety of other conventions. These tools will facilitate partnerships getting to the same "hard to bid slams and games" as the experts.

The team strategies course will discuss the psychology of winning team games, bidding and playing uncontested auctions and contested auctions, and aggressive and passive defense. Also included are discussions of strategies for when you are ahead or behind at half time.

Over the past few years, bracketed knockout team games have become more and more popular. As a result, more master points are won in these events than in any other. In order to win, players must adjust their strategies from a match- points strategy to

a team strategy.

I am fortunate to be teaching these courses at Dorsey's beginning Monday and Wednesday, January 11th and 13th. Call for more information or reservations. This is an opportunity for the serious bridge player to move to the next level. I hope to see you there.

Leaves are falling. It's a gorgeous fall in north Texas. Change is in the air and it abounds in our unit right now. We just tallied votes for board elections. The new members are Elizabeth Hudson, Janet Jordan, and Diane Washabaugh. Congratulations. I will have interviews with all board members soon. It's good to know what they bring to the table individually and as a group. Hard work is obviously part of the package; we are proud of our leaders.

Another change involves Kay Jones. This woman deserves space all her own; look for those kudos in the next issue. She made the decision not to run for the board this go round and passed the Scorecard article buck/oops, I mean baton, to me. Brave woman! Every unit has amazing people who give selflessly and wholeheartedly to every task presented. She is any unit's dream of a volunteer and forever vital to this organization. Thank you, Kay, for years of dedication.

All of us can think of funny blurbs overheard at the bridge table. I'm sure a book could be written. Playing in a local tournament some time ago, I heard this:

"Alert, my partner's unbalanced." Now, that could refer to a medical condition, but common sense told me it was a bridge ailment. I laughed then and came home still thinking about it. Let's break it down.

Alert: That has a rather scary connotation. Webster defines it as watchful and keen; wide awake; a signal warning of approaching enemy or threatening danger. Bridge is not for the fainthearted.

Partner: They come in as many styles and personalities as one can imagine. For months, when an opponent asked my partner what I meant by my bid, his standard answer was, "I have no

idea." Communication gaps can be deep and wide like the song goes, "Nobody knows the trouble I've seen/4" Bridge is not for the impatient.

Unbalanced: It denotes dysfunction – a wonderful syndrome I highly recommend. Idiosyncrasies make us fanatics interesting. Normal is boring; anybody can do normal. Besides, I don't bore well; my guess is that most of you fit that bill. Bridge is not for the – hum/4sane? No wait, lethargic. That's the ticket.

So, as I think about it, all bridge partners are unbalanced. No need to overstate. No keen watching needed. I move that the powers-that-be downgrade that alert to a simple announcement. Do I hear a second?

with a degree in chemistry from the College of Wooster. He received his Ph.D. in physical chemistry from the University of Rochester in 1960. His career was as a research scientist working to discover and improve chemical processes. He was with Mellon Institute in Pittsburgh for five years and the remainder of his career was spent at the research laboratory of Celanese Chemical Company in Corpus Christi. Bob watched his parents play bridge and began playing at age 12. He played some duplicate while in college and won a fraction of a point at a tournament in Cleveland. He relates that most of his bridge took place in the college dormitory in games that lasted all night. They were memorable times because of the camaraderie and the fact that students really couldn't afford to do anything else! During the 30 years following college, bridge was on the back burner because of graduate school and raising a family. Bob returned to duplicate about 20 years ago and says the game was entirely different with dozens of new systems to learn. Bob feels this is the most fascinating element of the game, but also the reason it is difficult to introduce new players to duplicate. He has made it a goal to play with as many novices as possible. He feels that there are some remarkable simple rules on bidding, play and defense which can lead to great improvement in the game for novices. Bob is a Silver Life Master and has served in many capacities since joining our unit. He has been president and held several other positions on the board as well as heading committees. For several years he has been our official photographer. Another of our players with an interesting background.

The unit Christmas party was held Sunday afternoon, December 6, at the Corpus Christi Yacht Club. My-oh-my, 18 1/2 tables! This is the largest game we have had in several years. The Yacht Club is a beautiful facility and it was a delightful afternoon. What started out as a gray wintry looking day saw the sun burst forth in the afternoon creating spectacular views of the water and downtown bayfront. Following the game a delicious buffet was served along with the appropriate beverages. Overall winners were Bob Gerberich and Mic McKinney; Bill Clark and Marilyn German were second. Flight B and C was won by Mary Driesbock and Claude Melton with Kay Mrazek and Martha Northup coming in second. Second in flight C was Lina Crumpler and Jack Farmer. Thanks to Ann Crumpler for taking all the reservations, to Martha DeCou for the arrangements, to Mary Ross for

helping with the drink tickets, to Dee Schade for directing, and most of all, to all the wonderful players who came out.

The Live Oak Bridge Club meets at the Beaty Christian Center in George West on Monday evenings at 6:00 p.m. The fee is \$3.00 and you can call 361/449-9482 to join the game. In addition, they are conducting informal lessons on Tuesday evenings. Player of the month for September was Mary R. Johnson. Second place was Verline Luthringer. Sharing October honors were Sara Dunn and Walter Long, partners. Several players attended the November 12 session at the Bridge Club of San Antonio and did quite well. We are sorry to report Anne Hinton is moving to Austin. We will miss her leadership. Come back often to visit, Anne!

The Los Amigos Club, Laredo, held their Christmas party on December 10 at the Laredo Country Club. The Memorial Cup, in memory of all Laredo's deceased players, was presented to the player with the most points won during the year. This year's trophy went to Beverly Cantu. Congratulations on a well deserved honor.

Wonderful story overheard at Los Amigos Club: West (aloud) "Pass". East, "You have to use your green card." South; "No es necesidad. Ella es Americana!" The top players for September were Roslyn Mandel and Linda Mott. Birthday cake was in honor of Beverly Cantu and Linda Mott. October birthdays included JoAnne Balzer, Laurie Goldberg, John Dee Lawrence and Ellen Levy. Welcome to new player, Donald Maxtadt and thanks to John Dee Lawrence for bringing him to the club. Top player for October was Diana Lecuona. Missing some players at the club; Bessie Dodier has broken her hip and Rolinda Lawrence has been in the hospital.

Thanks to all who attended our Rockport sectional. Kudos to Martha DeCou, our leader, and all of her helpers, especially the wonderful Rockport players who provided the snacks. Betty Hill was a great partnership chairperson and Lina Crumpler was super as a guru for the novices. Put February 19-21, 2010 on your calendar for the next Rockport tournament. A good time will be had by all!

At a 3 table Sunday afternoon game Marilyn German and Scott Humphrey had a 70.83% game. On Monday, November 16, Marilyn German and Gail Huie had 71.13% in an 8 table game. November 18, a 7 table Wednesday game, Ron Francey and Martha Northrup scored 70.04%. Congratulations to all.

This month we want to tell you a little bit about Bob Gerberich, our club manager. Bob has been serving in this non-paying capacity for three years now. He really is invaluable to our unit and we truly appreciate his efforts. Born in Wooster, Ohio, a rural community in the heart of the farm belt, In 1955 Bob graduated

Sandi Krahmer

Hi Everybody!

We are busy getting ready for our sectional the first week in March. We have a reputation for serving the best food around so come join us.

I am sad to report the death of Healy. Wilfred had been a member of our unit since the late 60's. She had move to San Antonio to live near her son a year ago after a recent illness. She will be missed.

Mozella Tew is doing another series of lessons on conventions that will begin in February. The more experienced player are encouraged to sign up as this class is not for beginners. Charlotte Blaiss is still teaching some more advanced Bridge such as 2 over 1 on Tuesdays. She has about 2-3 tables for her classes. Mozella has been running 4 -5 tables, and many have joined ACBL and are playing in our regular games. Becky Hamilton has volunteered to be mentoring chairman for players interested in playing with some more experienced members. Alice Alene Floyd is still our Novice chairman. If you wish to play with a more experienced player or you wish to help mentor a new player, please contact one of these ladies.

The Queens and kings had a successful Christmas party with 18 tables. Betty Lowmiller ran 2 sections and pre-dealt all the hands to save time. A delicious catered meal was provided by the club, and a good time was had by all. Robbie Butts and June Stanton were the overall winners, and Carol Schoenhals and Charlotte Blaiss were second.

The UNIT Board has voted to up the playing fees to \$5.00. We have not upped our fees for over 10 years. The ACBL fees have risen yearly, and the supplies and expenses to run the Bridge Center have also gone up yearly. We hope that this increase won't keep anyone from playing, but the Board felt that the increase was necessary to keep us solvent.

Happy New Year, everyone! Hope you all made a New Year Resolution to play more bridge this year and are following through with it. While you are making resolutions, consider making it a priority to bring at least one new person into the bridge club this year.

It is with sadness that I report the death of Edna Mazolla. Edna was a long time resident of Beaumont and member of the Beaumont Bridge Studio. Edna led an active life and bridge was an important part that she continued until recently when her health kept her home. Edna will be remembered and missed by all. Our sympathy goes out to her friends and family.

The 5% Gold Swiss Team Week was well attended and enjoyed by all who participated. On Monday the winners were Arline Meyers, Martha

Our Beaumont Bridge Studio decoration committee has really done a great job of giving us a new look. The director's station looks wonderful and can you believe all that good storage space. Good work, gang!!

Online bridge is very popular and several of our members are regular online players. Many of you know that I started learning to play online have continued, but did you know that 3 of our Beaumont bridge players, as of December 1, rank 1st, 2nd, and 3rd in District 16 in total master points earned online. Further research revealed that Bob Black as of Dec. 1, 2009 had earned 1009 master points for the year to put him in 5th place nationally. Sharon Mefford had earned 905 and was in 10th place and Tipton Golias who had earned 694 master points ranked 20th nationally. A large number of online players are on the computer playing 8 to 10 hours a day but our players are all working and only play when convenient. These ranking are quite impressive. Great job!!

Remember, bridge is a partnership game and if pard is not happy you are not going to win. So, keep partner happy! Make the bid he wants to hear, have the card he needs, lead partner's suit, return pard's lead and don't double unless they are going down. It is also nice to compliment the dummy, and if pard makes a mistake you remind him that any good player could have done the same thing. Use these rules and you will have a happy partner and a happy game.

cont. from page 2 Nationals

Gerrie Owen and Leonard Schaeen, were second in the mini-Blues while Bart Bramley won the Blue Ribbon. For players who are moving up the masterpoint ladder there are events that really can't compare outside of the Gatlinburg Regional. In D.C., I played on a K.O. team with my fellow alumni from CCNY, Simon Kantor. I met Simon at a national and not the 137th street campus. Simon graduated a few years before I did. Our team had over 40,000 masterpoints and still played in the 3rd flight of the KO. There were well over 20 flights-all with 16 teams each!

One can really begin to appreciate the broad appeal of bridge at the national tournaments. There are many prominent people who play the game, including supreme court justices, heads of giant corporations, Nobel Prize winners, as well as astronauts. At recent national events I played against Jimmy Cayne, former head of Bear Stearns and also against Bill Gates, who needs no introduction. I have so enjoyed visiting with the many friends I've made across the world. Each time I go, I make new friends. This fall my new friend from Norway appreciated that I admired his cool T-shirt and insisted on sending me one.

There are too many good reasons to play in the national. The ample opportunities to play in well attended competitive events, make lasting friendships, the impressive layout tends to inspire players to continually pursue challenges. Once you start playing in these events it truly becomes a lifelong pursuit.
