Twelve Pairs Qualify for NAOP Finals in Reno

Thomas Peters - John Zilic

Thomas Hackenberg - Phillip Jaeger

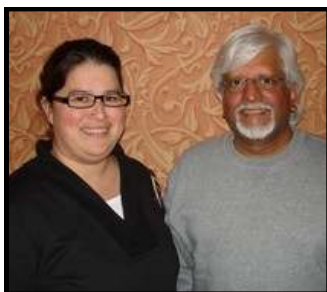

Kristy & David Garrison

Sidney Lazard - Bart Bramley

Hua Yang - Yixin Pan

Pawel Hanus - Bogumil Knypinski

The District NAP games were held January 9-10 in Austin. A total of 104 pairs, about the decade's average, showed up to determine District 16's representatives to the National finals. That will be held in Reno this March. All flights played four sessions, two qualifying and two finals. After the final results were tallied, the twelve qualifiers were the following:

Flight A

- 1/ Thomas Peters - John Zilic
- 2/ Sidney Lazard - Bart Bramley
- 3/ Stephen & Nancy Komegay
- 4/ Ira & Ellen Hessel

Flight B

- 1/ Thomas Hackenberg-Phillip Jaeger
- 2/ Hua Yang - Yixin Pan
- 3/ William & Donna Garrard
- 4/ Daniel Schomer - Ing-Tai Chen

Flight C

- 1/ Kristy & David Garrison
- 2/ Pawel Hanus-Bogumil Knypinski
- 3/ O Bunn - Patricia Bunn
- 4/ Kailash & Rani Sachdev

First and second place winners in all flights receive \$700 per player from the ACBL. Second and third place get \$300. Fourth doesn't receive any compensation from the ACBL, but many units have supplemented them in years past. Unit 172 currently takes care of members' entry fees at the unit and district qualifying events, as well as part of the trip. District 16 received an extra entry because of our outstanding participation at the club level.

The event starts by qualifying at the club level and then qualifying at a two session unit final. The survivors meet at the district level to play 4

sessions to qualify at the national level.

Tom and John have won the District 16 finals 5 times and have represented district 16 in the Nationals about 10 times in the last 13 years. Ira and Ellen, last year's winners, have qualified 3 times in the last 4 years. Sidney and Bart are one of the great pairs in the ACBL and are many times national champions. Sidney has won at least one National event in each of the previous 6 decades!

Extra congratulations go to Flight C winners, Kristy and David Garrison, who also made Life Master.

Best of luck to all of the qualifiers participating at the national level event later this month in Reno.

District 16
President

the Executive Committee, we have established a starting place for goals this year. If you have any other suggestions, please email me at cprice@texomawebs.com. The goals we have established so far include:

Improved communication with the Board of Directors, committee chairs, units and members. Communication is vital in every successful organization.

Recruit and retain members. District 16 has been on the upswing in this area. We now have more than 9,000 members and have qualified for the 5th annual regional tournament.

Manage our finances so that we will remain fiscally stable and use our financial resources to achieve

our goals.

We hope to have a very successful year. I will do my best to keep everyone well informed and ensure that all district-level officers and committee chairs are unit- and people-friendly.

Thanks,
Charlie

2009 Texas Stars

District 16 Awards Chairman, Scott Humphrey, presented the Texas Star Pins to recipients at the Houston Regional in February. The Texas Star Awards are given to worthy volunteers at the unit level for service performed in their own unit.

The District Board encourages you to submit a bio and picture to your unit board for consideration. It is not too early for the unit boards to consider their generous volunteers for 2010.

Jolie Hess 174
Houston

Jolie served for six years on the Unit board of directors in all capacities and her last year she was the President of the Unit. She chaired the hospitality committee for the 2005 International Team Trials, she chaired the partnership committee for the Houston Spring 2002 NABC and again as head of the partnership committee for the Houston 2009 Nationals. She is a certified ACBL director and teacher and has been a mentor to novice programs. Jolie is always very friendly and welcoming to new players at all games. Her aim is to make the unit a better place to play.

Becky Mosely Unit 172
San Antonio

Much to the regret of Unit 172 members, Becky Mosely has left the country. The good news is that this is only a seasonal occurrence. After Becky's highly successful stint as chair of the Unit's 2009 Regional, she departed for Canada with favorite partner Warren Watson. However, her plan is to split her time between the far North and San Antonio. We will enjoy Becky's company while she's here and envy her circumstances when she's not.

Becky's planning and management of the Regional was outstanding, resulting in an enjoyable experience for the participants and a healthy profit despite the impact of the economy on bridge tournaments across the country. In addition, Becky compiled a "how-to" manual for future tournament chairs. Becky also served as tournament chair for the Unit Sectionals for two years. Becky served on the Board of Directors for six years and was Treasurer for three years. Becky has also been very active in promoting bridge through the Mentor-Mentee Program, as a Certified Teacher, and as an enjoyable partner and opponent at the bridge table. Unit 172 is pleased to honor her exceptional service as the 2010 Texas Star Award Winner.

Jim Bauer Unit 176
Dallas

Unit 176 is pleased to select Jim Bauer for the Texas Star Award. Jim has served several terms of the Board, as Unit Game coordinator, Membership Chairman, Vice-President and three times as President, but most importantly, he has made a commitment to the game of bridge and as an ambassador of good will. Jim is one of those players that you are happy to see when you get to the table. He may give you a bad board in the process, but he is always a pleasure to play against.

In his last term on the board (which ended in January), he helped the *continued on page 2 STARS*

**HOWARD T. WILKINS, JR.
1928 - 2009**

Howard T. Wilkins, Abilene, Texas, died December 25, 2009. He was pre-deceased by his wife, Hope Duffy Wilkins, who died in December, 2006. Howard was born on April 28, 1928, in Bronte, Texas.

Howard's many accomplishments included valedictorian of his graduating class at Clyde High School in 1944. He entered McMurray College and was valedictorian of this graduating class in 1947; he also received academic honors while attending Texas University to complete his MBA. Serving two years in the Army during the Korean War, he attained the rank of Sergeant Second Class. He served as trustee at Hendrick Medical Center and Hardin-Simmons University.

Howard attained the rank of Diamond Life Master and served on many boards at the unit and dis-

trict levels. Always the perfect gentleman, in 1966 he was presented with the most prestigious District 16 Award, The Oswald & James Jacoby Award, for his outstanding contribution to the promotion of bridge. All of us in the bridge world will miss him.

He is survived by two daughters, Melanie King Brown and Lisa Wilkins Laird, and one sister, Bonnie Myers, and many family members.

Unit make significant strides in membership, build new games, facilitate strong and viable clubs, and improve fiscal stability. He worked to establish long-range planning, goal setting, and the implementation of new practices aimed at growing bridge in the Dallas area. A pet project was overseeing the replacement of the Unit storage trailer – a much bigger job than it sounds. It was once a major chore to move materials needed for tournaments and now tables and supplies are easy to transport and set up. He has worked with our tournament location sites and has an excellent relationship with them – so good that he will continue to serve as our liaison even after his board term ends.

When not serving as a board member, he has worked under the radar to promote the game. He's always ready to listen to ideas, suggestions, and complaints from fellow members and to take action. While everyone is sad to lose him from the Board of Directors, we want to thank him for all he has done and will continue to do. Congratulations, Jim, from Unit 176!

**Tom and Dorothy Moore Unit 183
Fort Western**

It is a privilege to jointly nominate Thomas and Dorothy Moore for the Texas Star Award for the Fort Western Unit 183. Their hard work in making the Arlington Duplicate Bridge Club (ADBC) and Unit 183 a continuing success is recognized by all members.

About ten years ago Tom and Dorothy decided to give back to bridge. They became Easy Bridge presenters and never looked back. They usually start two E-Z sessions a year and have graduated almost 400 new players. Tom and Dorothy's efforts have resulted in significant growth for the Arlington club and Unit 183. Tom and Dorothy jointly direct several limited point games a week and attendance averages 10 tables. Of course, their wonderful snacks could not go unmentioned!!

Tom and Dorothy organized and implemented extremely successful "Eight is Enough" team events. Tom and Dorothy started a mentoring program which has been embraced by the whole club.

Dorothy was the president of the ADBC during a difficult time and guided it to great success. When her

term as ADBC President ended, Dorothy became the Chairperson for the Club's Growth Incentive Committee. Under the guidance of the GIC, Friday night games with meals were instituted and the table count has increased from 3 tables to upwards of 10. (Bridge players love to eat). Tom created the first website for the ADBC/

The Tom and Dorothy show actually began when they both attended Oklahoma University. They became bridge partners at school and later Dorothy Rodgers and Tom Moore became partners for life. They have been married for 36 years and have two daughters and five grandchildren.

Unit 183 and the Arlington Duplicate Bridge Club are very fortunate to have these two individuals as part of the bridge world.

**Barbara and Bev Estes Unit 187
Corpus Christi**

It began for Barb and Bev on a cruise ship - Barb was running the bridge games and teaching and Bev was hosting. Today they live here in Corpus Christi, and although they still travel quite a bit whenever they are here, they work diligently for the South Texas Bridge Club. Barb has done some teaching, directs games frequently and keeps all the supplies for the club up to date, as well as planning all the supplies for the Sectional Tournaments. Bev is always ready to do anything needed - hauling tables, supplies for the tournaments and whatever needs doing - including "bear hugs". They are a very popular couple and definitely deserve this award.

**Ken Woodard Unit 197
Lubbock**

The members of the Unit 197 nominating committee for the Texas Star award are proud to nominate Ken Woodard as our 2009 nominee. Ken has chaired several sectionals and has undertaken the chore of updating and

running our website. He and Anita, his wife, who shares in this award in many ways, has helped him with his many jobs. Too bad we can't have two awards! Together, they also updated and produced our UNIT Directory and did a wonderful job. Ken has bought software at his own expense and has gone early to a Regional to learn how to use the software and produce a wonderful website for Unit 197. Ken and Anita moved here from St. Louis about 5 years ago and immediately became involved with the Unit. They both have helped with the lessons for newer players and have played with some of the newer players. We are so grateful that they have decided to stay in Lubbock and become so active in our Unit. We are proud to give Ken the Texas Star award this year.

**John Petersen 205
Mexico**

John Petersen is a long time director, teacher and former club manager from Comox, BC. John was instrumental in starting the Puerto Vallarta Bridge Club and guiding it through its first year. When a group of players decided to break away from the non-sanctioned bridge club to start an ACBL-sanctioned club, John volunteered to teach director classes and give on-the-job training at the new club which had its first game on February 6, 2009. Originally scheduled to return home in late March, John and his wife, Arlene, changed their plans, extending their stay in Puerto Vallarta another month, so that they could administer director tests and continue helping the club get off the ground. All four of John's students passed the director tests and are now directing at the club. So this year, the Star of Texas is being awarded to John at the request of his directors in deepest gratitude for his guidance, generosity and good humor.

**Mark McAllister Unit 207
Austin**

Mark has served as Unit President, webmaster and photographer and has assisted with supplies and publicity for many years. He has contributed greatly to the growth of duplicate bridge in South Austin. He has chaired several sectional tournaments and has helped run numerous other tournaments and unit events. Mark can always be counted on to help out in a timely, conscientious and thorough manner.

More Texas Stars

**Gloria Crites Unit 209
Greater Permian Basin**

Gloria has been a member of the ACBL and Unit 209 for over thirty (30) years. She has worked tirelessly as an officer, board member, teacher of bridge, and handling other menial jobs, which as we know, have to be done.

She is the wife of Billy and they have enjoyed their married life for well over fifty (50) years. Billy served our country in the military service for twenty (20) years. Gloria moved from the snow and cold of the North to the sunshine of Florida, and to Japan, as she supported him in his tours of duty, taking part in the base's activities, working as a secretary, and playing bridge.

She is a wife to Billy, mother to son Bob and daughter Stace, mother-in-law to Kay and Richard, grandmother to Jordan, Blake, Carson, and Shawn - all of whom she supports vigorously.

She is a true homemaker, gardener, and seamstress (and a Bridge Player) all of which she shares generously with family and friends. She is al-

ways there to help her friends if they need to go to Dr. appointments, either in town or away, and if she can't - she will send Billy.

Gloria is an AVID bridge player having earned her Diamond milestone. She has taught bridge and helped many in their endeavor to learn the game.

The word "extraordinary" is defined in the Dictionary - "to go beyond the common course" and to add the word extraordinary to wife, mother, mother-in-law, grandmother, gardener, seamstress, friend, and did I say bridge player would define Gloria as our Texas Star person of the year.

**Tom Corlett Unit 233
Central Texas**

Tom Corlett, a Gold Life Master, has been selected by our board of directors to receive the Texas Star Award for 2009.

Born in New York, he moved to Texas with his parents at an early age. He taught in several school districts in the state., retiring after 10 years at China Spring ISO near Waco. He has been a member of Unit 233 since the mid-80's.

He shares his talent as a teacher with Unit members by conducting pre-game bridge lessons, mentoring new players, and being available to respond to bridge questions that arise. He actively supports bridge, playing regularly in club games and in sectional, regional, and national tournaments. Tom served a three-year term on the Unit board of directors from Dec. 1992 to Dec. 1995, being elected vice-president from Dec. 1993 to Dec. 1994 and president from Dec. 1994 to Dec. 1995. He was elected Unit representative to the District board of directors for a three-year term from Aug. 1997 to Aug. 2000, re-elected from Aug. 2000 to Aug. 2003 and Aug. 2003 to Aug. 2006. During this assignment, he faithfully shared reports of meetings with the Unit board of directors.

He co-chaired Waco sectional tournaments in 1999, 2004, 2005 and 2006 with exemplary results. In 2000, Tom was one of three District 16 representatives elected to the ACBL board of governors and has been re-elected as a representative to the present time. As a member of the District 16 board of directors, he served as vice president in 2003 and president in 2004. In October 2000, he was awarded lifetime membership on the ACBL National Goodwill Committee.

Tom Corlett is the epitome of a star. As a volunteer, he has proved his ability and strong desire to promote bridge and is highly recommended to receive the Texas Star Award for Central Texas Bridge Unit 233 for 2009.

As I write this, I prepare to go back into the fray of the well-attended, graciously hosted (by Carol Campbell) Winter Fun Sectional at the Bridge Club of San Antonio. It is my enthusiasm and *not* my expectation of good results that compels me back to the table, that and the wonderful camaraderie of the unique personalities of our fellow bridge nuts!

The Unit Party (Dec. 12) at the BCSA, was packed to the rafters, with Jo Grabow and Dave Swarhout taking first overall. Congrats! At the party, results of the Horton-Gray awards were announced. These awards recognize two players who have earned the most masterpoints from Unit 172 sectional events. The female winner for 2009 is Patricia Hinze (139.39)(third-time winner); the male winner for 2009 is Ed Rawlinson(139.11)(five years in a row!). Donna Watkins and Bill Walker took second in the respective categories. The Paul Lewis Award, recognizing players with fewer than 300 points who are the top masterpoint winners in Unit sectionals, went to Fran Vanecko, with Susan Hernandez in second place.

Unfortunately, holiday cheer was marked by the sad news of the death of Koy Bass, much noted for his love of and talent for bridge. He is mourned by Kathleen Pigott, family and his many friends.

I took my licks at a game at New Braunfels Elks Club last month, hosted by the incomparable Nell Morgan. There were 10 tables and a warm welcome waiting for all levels of players. When I return (and I will!) I plan to bring in reinforcements with me.

Speaking of reinforcements, our very own Donna Watkins and Sheryleen Grothus took their show on the road to Kansas recently; they played in a regional team game with the Thornburghs (Ross and Loretta) who have transferred recently to Unit 132, supporting Loretta in her successful bid to earn Life Master status! Congrats to her. Just goes to show that "out of sight is NOT out of mind" in the bridge world!

Sighting: Becky Mosely and Warren Watson...back in town for the Winter Sectional and to stay where it's warm for a couple of months until they move back to B.C., Canada. Becky told me that she looks forward to saying a fond farewell to her bridge buddies on April 3 at the SA Bridge Club. Come out and play and give Becky and Warren hugs and best wishes on their engagement! Also, wish Becky congrats on her award as the Texas Star Winner for Unit 172, recognizing her outstanding service (See the accompanying article about Texas Star Winners in this *Scorecard*.)

Additionally, Unit 172, in cooperation with District 16, recognizes two individuals each year as Goodwill Members of the Year. Winners for 2009 are David Ewing (Kerrville) and Everette Lewis (San Antonio). Congrats to each of them and thanks for "aiding and abetting" our favorite vice!

Other milestones: David Swarhout earned Diamond Life Master status; Bette Allen earned Gold status; Betsy Berg earned Bronze status. and Kenyon Daniels is a new Life Master!

Jeri Tribo has so successfully encouraged a bumper crop of mentees

(fewer than 100 MPs) that she is in need of more mentors. To qualify as a mentor, all you need is to be a Life Master or have 500 MPs, commit to one play day per month (you play free that day), a willing heart and a sense of humor. Oh, patience helps, too. The benefits to the Unit, the clubs and the mentor/mentee are substantial. Please contact Jeri to participate. As further evidence of how much fun it can be to "bring someone along" in bridge, the Monday night Pro-Am team games at Turtle Creek are reeling them in. More than ten tables last week...and that was after a long Austin sectional weekend! It was great to see our Unit members turn out for the Austin Sectional. We also had some pairs represented in the North American Pairs Finals held there. Congratulations to those who made it that far and came home with some gold!

Kudos to Unit 172: we had the most new ACBL members enroll in the District. Let's keep it up! Send the names of proposed new members to Linda Lawrence for Unit payment of ACBL first annual dues for the member (whose permission you have obtained, no doubt!)

Enthusiastic --indeed, record-- participation for the Winter Sectional at the Bridge Club of San Antonio held January 15-18. Top performers in Open Pairs: Diane Olson/Charles Jefferson, Ed Rawlinson/Ken McBride; Jack Lacy/David Swarhout; Pat Russell/Gary Larson; Philip Grothus/Patty Hinze. Friday Swiss: Wayne Rauschuber/Charles Jefferson/ Terry and Carolyn Riely. Monday Swiss: Hinzes and Hesses.

Stand-out performances at the Houston Regional turned in by Greg Hinze (81 points!), Ira Hessel, Philip Grothus and Dave Swarhout. Other excellent results for: both Roxanna Tom(s), Gary Larson, Linda Lawrence, Verlyn Stahlecker, and Reagan Steinmeyer. And what about those cowgirls Dee Baker and Annemarie Weaver? This duo has been roping in the points since their recent partnership began...40 points in San Diego and 32 points in Houston!

Upcoming events: Rockport Flip Flop Sectional (Feb. 19-21), where bridge's a *beach!* Austin Sectional (March 25-28) and Kerrville Sectional (April 8-11). By the way, Donna McBride would love for us to come up and play in one of the three weekly games in Kerrville (Mon, Tues, and Friday at 1 pm). Do you think if I journeyed up there she'd "throw" a board in my favor? NOT.

This year Unit 172 is sponsoring a "Support Our Troops" drive. Each club that wishes to participate collects little necessities and "treats" for our soldiers and the unit pays for the postage. Thus far we have sent four boxes to our servicemen in Iraq. Following is an excerpt from an email Turtle Creek received:

"Dad...what a SURPRISE!! I just got the box today..The guys here absolutely loved everything in the box. Everybody has their own little favorites when it comes to candy and sweets and everything in the box fit someone in the office perfectly. We had the salami, cheese and crackers today during our meeting...the guys are still talking about how good it is 'cause they're still eating it...even though we just had supper... :) My guys will eat all day long, but we play hard too so it all evens out..... please accept our most sincere thanks for your support. We certainly don't do it for the money or the glory, but we'll keep on doing it until it is someone else's turn."

Any club or unit wishing to start a Support Our Troops drive, can contact Fran Vanecko (210-455-

9233). She can send you a flyer to read and answer your questions. Also, if you know of a soldier that you would like us to send a package, please let Fran know.

Lone Star Regional
The Lone Star Regional celebrated its 49th anniversary in grand style. There were 3,025 tables in play during the seven-day tournament, a table count not achieved in many years. The success of the tournament was

due in large measure to efforts of our many, many volunteers.

Special thanks go to Paul Cuneo and Pat Levy, Regional co-chairmen; Jolie Hess, Partnership Chair; Jane Armstrong, Hospitality Chair; Sandy Stevens, Caddy Coordinator; Donna Sparks, Photographer; Dianna Gittelman, guest speakers; Marsha Bernstein, Event Names; Kathy Hughes, Intermediate/Newcomer Coordinator; Janet Williams, Lynn Luster and Connie Montgomery, New Player Services; & Bert Onstott, Webmaster.

Free coffee every day and the evening hospitality of beef sliders, cheese nachos and hamburgers after the games on three evenings were enjoyed by everyone. There were 1,761 player who played at least once during the week. Unit 174 provided free entry labels with name, city, state, and ACBL #. The prizes for event wins or section tops were pens embossed with Lone Star Regional, Houston, February 2010.

A new event, the Gold Rush Pairs, was initiated on Saturday. This event enabled players with 750 or fewer points to win lots of gold. There were 56 tables and Michael Novack and Roberta Graham of Humble won the event and 16.32 gold points.

Houston area players who earned 50 points are more were Eddie Wold, Dan Morse, Carolyn Fox, Robert Morris, John Zilic, George Fox, and Tony Haddad.

Congratulations to Jolie Hess who was honored for her many contributions to Unit 174 by being awarded with the 2010 Texas Star for Unit 174 on Saturday night.

Deanna Drab, Mary Drew, Sophie Field, Kristy & David Garrison, Mark Heep, Clairlee Hirsch, Harry Ingham, Mary Jane Kinnebrew, Jim Middleton, Terri O'Brien, Bobbi Robinson, Joe Valanski, Fredi Weinbaum, and Gordon Yee all made Life Master during the tournament. Congratulations to all of them!

On Thursday morning during the Regional, the unit held an interesting seminar on Zero Tolerance for directors and club owners. Charlie McCracken, a National Tournament Director, conducted the seminar.

The Bridge Pad electronic scoring system was used for the first time in the pair events and was well received by the players.

We are sorry to report that Anne Page passed away on February 26, 3 months after her husband, Doug.

I knew Anne before Ellen and I took over the Scorecard and it was a very special pleasure getting to know her well. She was Unit 172 columnist since 2001.

Anne really cared about her column and always was thorough, compassionate and informative. She always had quite a few changes as she was a consummate writer. She really cared about her responsibility and that made it a joy to correspond. Anne always sought me out at Houston tournaments and I really missed not seeing and talking to her at this year's regional. She was one of the very few people I carried out email chats with at 3-4 am! She always left me with many a smile and good feelings. She was a mensch.

We thank Joyce Ryan for sharing the following: One of the first persons I met in the Houston duplicate bridge world was Anne Page. Anne was my mentor for a brief period of time. The first time we played, I more than doubled the number of master points I held—going from less than one to over a point! Anne mentored many new players and really seemed to enjoy making that contribution.

Anne called herself Trysalot on Bridge Base. What a great handle for Anne! She did try a lot and she played a lot too. Anne could talk faster than I could listen and type faster than I could read. Between rounds she typed and I tried to keep up. Usually I just ended up going to get another cup of coffee.

Anne was honored with the Texas Star Award for her wonderful volunteerism, and she and Doug were both honored at the Lone Star Regional last month. Sadly, her health would not allow her to be there for the tribute to Doug and herself.

Trysalot will be missed by her friends in Unit 174, on BBO, and by her family. I'll miss her when I pull up my BBO convention cards and click on Trysalot to find my favorite card.

Houston Unit 174 to Hold Board Election April 23-25, 2010

The approximately 2,500 members of Unit 174, whose participating clubs include Baytown, Bryan/College Station, Clear Lake, Conroe, Galveston, Houston, Kingwood, Lake Jackson, Livingston, Missouri City, Pasadena, Spring, Stafford, and Sugar Land, will have an opportunity to vote for three members of the Board of Directors April 23-25, 2010, during the Election Sectional at the Stafford Center in Stafford. The three newly elected members will join Paul Cuneo, Bob Dowlen, Kathy Hughes, Karen Nimmons, Robert Reichel and Joyce Ryan to complete the full nine-member board. Dianna Gitelman, Chairman of this year's Nominating Committee, consisting of Joyce Gautier, Chuck Giliis, Mary Jane Kinnebrew, and Lew Levy urges all Unit 174 members to vote, either in person or absentee. To vote in person, you should plan to be at the tournament site during the hour before each session on Friday and Saturday or one hour before the Sunday morning session. To vote absentee, follow the procedure outlined below. Winners will be announced prior to the second session on Sunday, April 25. In order for your vote to be counted, you must vote for exactly three candidates. The candidates have been given an opportunity to introduce themselves and say a few words about their philosophies, goals and backgrounds. They are listed alphabetically and have been restricted to 100 words.

Beverly Cheatham

I've loved bridge since my college days. While studying accounting at the University of Texas, my friends and I would gather for an hour before the evening meal to learn how to play bridge. I was hooked!

After retiring as Financial Officer of a large public opinion research company, I found the joy of playing duplicate bridge. I've served on the Board of the Bridge Club of Houston during the time the club has doubled its capacity.

One of my objectives is to attract social bridge players to duplicate where they can discover how exciting the game can be. I would appreciate your vote.

Richard Duble

I am a native Galvestonian who left in 1958 to attend Texas A&M. I stayed for three degrees and a 47-year career in teaching. I joined the ACBL in 1998 and duplicate bridge replaced golf as my passion.

Thanks to the educational opportunities Unit 174 provides I earned my club Directors certification and currently direct two clubs in College Station.

I feel strongly that clubs are the backbone of the Unit and the primary source of new players.

I would feel privileged to serve on the Board of Directors of Unit 174 and to continue the outstanding service the Unit provides.

Chuck Ensor

In a previous life, I managed organizations and projects and did engineering. After retiring, I took some bridge lessons and the hook was set. For the last seven years I have played, learned, and worked to give back to Clear Lake area bridge.

I served as President of the Clear Lake Bridge Club for a year and a half, renovating the facility to accommodate growth. Since, I have been involved in directing, purchasing and local publicity.

If elected I would work to continue outreach for new members and encourage the transition from novice to life master to veteran player.

Jolie Hess

What can a position on our Unit Board of Directors do for me?

- It would give me an opportunity to serve the game we all love.
- It would give me an opportunity to funnel your input into action (I do know how to listen)!
- It would give me an opportunity to input my bridge experience.
- It would give me an opportunity to exercise the business expertise I acquired in over twenty years of running my own business.
- Most importantly, I hope this opportunity for me would translate into positive results for all Unit 174 members.

Mary Jane Kinnebrew

I'm running for the board because I think that after about 6 years of enjoying bridge in Houston, it's time for me to contribute more actively.

I've belonged to the ACBL off and on since I was 14. I enjoy the game and the people who play it. I was a community college professor for 25 years, so I have experience working in committee situations.

My major interests outside of bridge are my family and friends, Rice sports, travel, and my work as Volunteer Disaster Training Coordinator for the Houston Red Cross.

I would appreciate your support and your vote.

Robert Morris

I have been playing bridge since I was eleven years old. The game has been my hobby and my passion for many years. For the last fifteen years I have been teaching bridge and playing in tournaments all over the world.

As a former high school teacher, I highly value the importance of continuing education for all bridge players, both beginning and experienced. That will be one of my priorities.

It would be my privilege to serve on the Board of Directors for Unit 174. I would appreciate your vote and your support.

Absentee Voting Procedure

If you do not plan to attend the tournament, you should send a stamped, self-addressed envelope along with a SIGNED letter to the election judges, Natalie Greene and Dale Crumbaugh. Please address requests to Dale Crumbaugh, 32 Villa Bend Drive, Houston, TX 77069-1431. The address on the return envelope must be the voter's address of record. If the voter is a member in good standing, an Official Ballot will be sent to the voter, along with instructions for returning it. All Absentee Ballots must be returned postmarked no later than April 9, 2010, and be received by April 16, 2010. Please request absentee ballots early as no ballots will be mailed out after April 8. Send questions by email to dalecrumbaugh@tmail.com. Election or ballot should be in the subject line.

**Unit 176
Dallas**

Tomi Fitzgerald

We've got lots of things happening in the Big D area. Our newest Sectional kicks off on March 4-7 at the Richardson Civic Center. Tournament Chair Donna Compton and her committees have been working hard and invite you to join them. In addition to all the games scheduled, the Unit 176 Ace of Clubs and ACBL Mini-McKinney awards will be presented 6:30 on March 6th. Check for games and times at <http://www.d16acbl.org/U176/>.

We have a great addition to the monthly Unit Pairs Game – new stratas and a third location! We now have a 0-99er game at the Bridge Academy of North Dallas, Dorsey's Bridge Studio's game has expanded from 499 to 750, and the Open game remains at Valley View Bridge Studio. Don't forget that the game has moved to its new permanent date of the 2nd Sunday of the month. March 14th at 1:30 is the next date, followed by April 11th and May 9th. We hope to see everyone there! The very successful Unit Teams games are continuing as well. The February game takes place during press time, but the April 22nd game will be held at Dorsey's Bridge Studio. It's never too early to start lining up your teams.

The Unit 176 Texas Star Award was given to Jim Bauer at the Houston

Regional. Jim has served the Unit with distinction for many years, with his last position being the President of the Unit (for the third time!) He was also recently named to the National Good Will Committee by District 16. Thank you for your many years of service, Jim. I know I speak for all the Board members when I say how much we will miss you at the meetings.

The January Election Sectional was a big success. A big round of applause goes to Tournament Chairman Dorsey Shaw and her team. Results are posted on the Unit web site along with pictures of the winners. This tournament also holds our annual membership meeting and the election of new Unit 176 Board members. Congratulations to Tomi Fitzgerald, Susan Flick and Leslie Conant, who were elected to 3-year terms. Shortly after, at the February Board meeting, the Board of Directors selected the officers for 2010. Tomi Fitzgerald is President, Bob Butterfield is Vice-President, Carolyn Bradford returns as Secretary, and Leslie Conant is the new Treasurer. (bear with me as I learn to talk about myself in the third person!)

As a last note, we need to say goodbye to a dedicated friend and player, with the passing of Dorothy Martin in January. Dorothy was the owner and director of the Irving Bridge Club for 40 years. She also directed games in Arlington and Dallas, and played bridge everywhere. She was a Bronze Life Master, but that is the least of her many accomplishments.

Most importantly, she was a wonderful ambassador of the game she loved. Our condolences to her family – she will be missed by all of us. If you have news to report, contact me at skeeter303@yahoo.com. See you next time!

Unit 183
 Fort Worth
 Laura Nash

New board officers for the Fort Worth Unit are Steve Shirey, president; Carolyn Pinto, vice-president; Elizabeth Hudson, secretary; Tom Hughes, treasurer. The board wants to do a trial run of electric scorecarding. Right now, they are waiting for supplies to come from the company. We encourage each unit member to get to know your board and give them ideas as well as words of gratitude. Volunteers make us what we are, and each member is appreciated!

At our recent regional, Janet and I played against a great married couple from Houston. Great in the sense of their demeanor toward each other at the bridge table. Every command of play had a "Thank you, sweetie" or "Please play the..." At one point when bidding communication broke down, they found themselves in that hole we all know well: save, correct, panic, bid up so high you must want to concede the board and move on. The husband, visibly perplexed, finally blurted a bit. Her reply was, "Sweetie, I want to learn, but when you do this to me, I shut down." He apologized. Janet and I looked at each other hesitant to even think, much less, talk about how that exchange would go with Mike or Larry.

Two local couples answered my questions about pros and cons of bridge together. Jeri Quinton told me that she and Ken learned to leave the night's struggles at the studio door. Jerry and Norma Brown said they enjoy knowing they'll have something to do together on any given afternoon. He added that tournament vacations are great because they have bridge and sightseeing bundled into one excursion.

Those of us who know we could not do it congratulate all you couples bridging that gap that is beyond our patience and fortitude.

Unit 187 Corpus Christi

Dee Schade

Our unit was saddened to hear of the death of Georgene Fuller. Georgene was a member of our unit for several years before she and her husband moved to Pearland. Our sympathies go to her family. She was a lovely lady and will be missed by her many bridge friends.

Rockport Duplicate Club held their first annual Christmas lunch and bridge party on December 17. They had 9 tables, filling up the Rockport Yacht Club. Bobbie Walker says that if necessary they could have gotten cozier and added a few more tables. That is the goal for 2010! This is the highest number of tables the club has had since Bobbie became their director. Thanks to the help of Millie Vollick, Frances Couvillion, Betty Hill and Sheralyn Humble, the party was a big success. Everyone brought their favorite dish/desert and a great time was spent getting to know one another better during the lunch break.

The Rockport club has grown from barely 3 tables in the summer to an easy 5 tables. The Senior Citizen group has been joining the 1st and 3rd Thursday games making as many as 7 tables in play. It has been a team effort from giving lessons, to making

sure our old timers have warm smiles and welcoming hugs for all who come.

Speaking of Rockport, the sectional tournament was February 19-21 at the Salt Water Pavilion. This is always a fun tournament with a lovely setting and this was no exception. Thank you to Martha DeCou, tournament chairperson and all her workers. Once again thanks to the Rockport players for their wonderful hospitality.

Well the Bridge Club of South Texas started the New Year off right with a celebration for Marilyn MacDonald's 20th anniversary of her first game of bridge. New Years day, 1990, Marilyn accompanied Bill to the club to venture into the world of bridge. She had never played, so this was truly her first game. She persevered and is not only a Silver Life Master, but also a teacher. She and Bill have hosted bridge on cruise ships and gone around the world twice doing so! A lovely party featuring food, champagne and New Year's masks (eye glasses) was hosted by husband, Bill, followed by 12 tables of bridge. Mary Ross directed the unit championship game. The winners were: WHO ELSE, after all it was Marilyn's day, Marilyn and Bill MacDonald; followed by Bob Gerberich and Mic McKinney. Flight B was won by Cynthia Struve and Darlene Kinstry; Mark Leighton and Martha Northup were second.

Some big games recently, Bill Clark and Betty Marriett had a 71.99% on December 18 in a 9 table game. In an 8 table game on January 4, Marilyn German and Gail Huie racked up a 77.04%. Congratulations to all!

Live Oak Duplicate Club held their annual Christmas Party in Rockport at Sara Dunn's home. There were 6 tables and the winners were Steve Kassarjian and Beulah Mae Pearce with a 73.44% game. Player of the month for November was Elaine Bennett. Second place was a tie between Sara Dunn and Walter Young. December's winner was Roxana Tom. Second place was shared again between Sara Dunn and Walter Young. January 18, Elaine Bennett and Mary Johnson had a 71.88% game. Don't forget Monday evenings at 6:00 p.m. Call (361) 449-9482 to join the play.

We want to tell you a bit about Kay Loudon Mrazek. Kay is a regular player and has served on the unit board and as unit treasurer. Kay started playing social bridge in 1961. She was a stay at home mom with several neighbors who would get together for coffee and bridge. Sometimes the dummy was a fishbowl! After awhile the gals got bored with small talk and decided to take lessons at the YWCA. They all became addicted, so their lives became, hurry up and get the chores done and play bridge. When Kay's children grew up, she returned to work as the comptroller at Southside Hospital.

Daytime bridge was greatly missed so she tried playing in the evening at Jack's bridge club. Lack of sleep caused her to give up evenings, so for the next 20 years she played only on the weekends. She started playing tennis in the evenings and too much cement pounding caused back problems resulting in surgery. She woke up paralyzed and the following long year there was a series of wheelchairs, braces, walkers, and even today, a cane. That was the end of tennis, so she joined the church choir. At age 49, Kay and her husband took their son's child to raise, a darling little girl named Carrie. When Carrie was 9, Kay retired and decided the time was right to play some bridge. She took lessons from Phyllis Mehrens and began playing duplicate. Raising Carrie kept her too busy to attend tournaments, except for the local sectionals where Carrie became a regular caddy. Now that Carrie has left for college, weekends are free and Kay WILL be pursuing those last few gold points (less than 10) to make life master. When she acquires those, she will automatically be a bronze LM as she has over 500 points total. Always happy and friendly to everyone, Kay is a true asset to our unit.

February was Jr. Fund month, so several games were a \$1 extra to support our ACBL juniors in international competition. March 3 is ACBL Charity game (some of also know this as Texas Independence Day), and March 28 is our local charity,

Wenholz House. April will continue with several charity games and on Saturday the 17, Grand National Team qualifying double session will be held. Tuesday, April 20, is pizza night with unit awards presentation to players who reached milestones in 2009. Mark your calendars for these and other events posted on the bulletin board at the club.

Please send your club news to me at cdeoro@aol.com.

Unit 201 Sabine Neches

Patsy Pierce

Our bridge family was saddened by the death of Jean Brickhouse. Jean, a native of Beaumont, was involved in many community activities with so many accomplishments they are too numerous to list. Our sympathy goes out to her family and friends. She will be missed at the bridge games and in the community. We offer our condolences to Naldia Reeves and her family on the death of her husband. Gene, a like long resident of Beaumont, was a retired engineer for Mobil Oil. He and Naldia had been married for sixty-four years.

The Orange Community Bridge Club was saddened by the death of Maggie Brossette. We would all like to join in offering our sincere condolences to Maggie's family and

friends. Margie was a lovely lady who will be missed.

I am pleased to report that Nancy Smalley has been nominated for the newly established ABTA "Teacher of the Year Award". We all appreciate the dedication and effort Nancy gives to bring new players into the club, but it is especially meaningful when her students go through the lengthy nomination process to honor their teacher. I am sure many other fine teachers will also be nominated, but it is indeed an honor to have your students feel strongly that you are the best. This winner will be presented a plaque and a cash award at the AABTA 2010 Summer Convention in New Orleans.

We kicked off the holiday season with a series of Club Championship games which naturally included lots of good food, good bridge and fun for all. The **Monday afternoon** game was won by John Smalley and Aiyandar Bharathi. Nancy Smalley and Marian Jones came in 2nd with Sally Blewett and Patsy Pierce placing 3rd. **Monday evening**, Donald and Juinez Moss took 1st place honors, Earl Johnson and Liz Karnicki were 2nd with Melva Jane Kalkbrenner claiming the 3rd place. The **Tuesday game** found Edgar Sarrafian and Ron Stueber in 1st place, Jack Sibley and Roy Mack Stotts were 2nd, with Edwina and Jimmy Landrum coming in 3rd. The **Wednesday morning** game was won by Laura Stelly and Sarah Smith, Jean Hammer and Helen Williams were 2nd with Paul Keedy and Barney Hammer taking 3rd place. **Wednesday afternoon** found Bill Ginger and Don Holst in 1st place, John Smalley and Aiyandar Bharathi 2nd, with Martha Bookman and Janice Niederstadt finishing 3rd. On **Friday afternoon**, Bill ginger and Kazue Bell came in 1st, Jack Evans and Martha Bookman were 2nd, with Carol and Robert McGill placing 3rd. On **Sunday afternoon**, the winners were Lorena Strange and Nelta Devine, Anna and Hugh Smith were 2nd with John and Nancy Smalley claiming 3rd place honors.

The December Mentor Pairs was won by Robert Mainord and Juanell Jones, 2nd place was taken Noel Buff and John Smalley, with Colene Watley and Norma White placing 3rd. The January Mentor Pairs game was won by Miriam Cooper and Jack Evans. Bill Matthews and Bill Lucas came in 2nd with Edgar Sarrafian and John Smalley finishing 3rd. The December Mentor Team game was cancelled on Christmas Eve. The January Mentor Swiss Team game was won by Noel Buff, Betty Poindexter, Delores Belton and Martha Sigler. Second place was taken by Kris Cherry, Ann Montgomery, Carol and Robert McGill. Finishing in 3rd position was the team of Earl Johnson, Liz Karnicki, Jerry Heckman and Anna Smith.

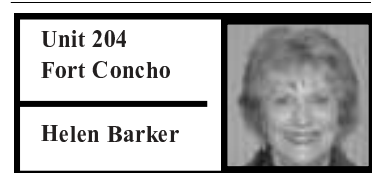

The **Lufkin Bridge Club** is happy to report that their fearless leader, Bobbi Robinson, completed her Gold point requirement at the Houston Lone Star Regional Tournament. Those gold points gave her the title of Bronze Life Master. Bobbi started the club in Lufkin a couple of years ago and the are going strong. Congratulations, Bobbi!!

The Beaumont Bridge Studio was well represented at the Houston Regional. High point winners from the Beaumont group were Don and Juinez Moss. This pair picked up the last of their required colored points and will soon complete the rest of the Life Master requirements. Way to go!!

The 55th Spindleton Sectional was a great success, thanks to the planning

and work of the Co-chairs, Juinez Moss, Kas Bell, and their capable team. Naturally, our members contributed with the hospitality that we take pride in offering our visitors. I am always amazed at our club's generosity and hard work.

I love quotes from well known bridge players and here is one attributed to Alan Sontag that I think you might enjoy, too. "It is not the handling of difficult hands that makes the winning player. There aren't enough of them. It is the ability to avoid messing up the easy ones." See you at the game!

By the time you read this our tournament will have come and gone. Wish I could tell you who won the whole shooting match, but I guess we will have to wait until the next issue. I'm sure we had a good time, good food, and a good crowd.

First on my list is to congratulate the former Candyce Gregston on her marriage to Lee Pfluger. We all wish her the best of everything.

In January, a group of us attended Kurt Frangmeier's installation as minister at the Calvary Lutheran Church. It was a very nice ceremony. His parents came in from Tucson for the occasion, and played bridge with us on Friday. Now we have an idea of why Kurt is such a nice guy.

Ginny Noelke and her committee have come up with ideas to increase our membership. Like most other clubs, we are trying to get more tables filled. Check out the list on the wall for ideas, but meanwhile, ask one of you party-bridge playing friends to come and play with you. Explain to them that duplicate players don't really eat their young, and are not to be feared. Let's help Ginny fill up these chairs.

The "dynamic duo" has struck again. Judy Wilde and Vicky Fisher went to San Antonio in January and won 14.38 points. Out of 214 players, they came in 14th! And, we're talking some big name players were there. Congratulations, ladies.

One of our veteran members remarked that just because he hadn't won any tournaments lately, or done anything exceptional, didn't mean he wouldn't like to see his name in the column once in a while. Now, keep in mind we haven't had the tournament at this time, and he may have won first place overall. If he does all that, I will put his name in the paper again, but for now, I'd like to publicly acknowledge Carl McGill. Everyone go up, pat him on the back, and say, "Hey! Saw your name in the paper."

Saturday, January 30th, was a day of celebration. Gail Payne and Neal Perlman were feted for achieving the "Gold Life Master" rating. Twelve tables of participants saluted the two with commentaries, and lunch. Their popularity was evident from the number of our out-of-town visitors from Midland, Mason and Brady. The fact that these people took time to drive to San Angelo to be with Neal and Gail on their special day is indeed a nice compliment. Gail's husband, son-in-law, and grandson joined her on the special day. Actually, I think the grandson was the hit of the show. Marcie was there for Neal. Marcie didn't wave or blow kisses, but she did look pretty. Plus,

the newer members found out Neal's nickname used to be "Yo-yo", because he always carried a yoyo to tournaments. We had the nicest day. Congratulations to both Neal and Gail.

I am sad to report the passing of Gene Gammill's wife, Arleene. She fought a hard battle with cancer. The Unit's condolences go to Gene and his family.

When you say your prayers, remember to include our members who are sick, hurt or grieving.

Getting right to the point, welcome to the kudos column. Unit 207 members started the new year strongly, with six people making Life Master at the recent Houston Regional. Those who earned their gold card in Houston are Linda Bush, Mark Heep, Harry Ingham, Ginger Lake, Terri O'Brien and Mark Sanders. Bette Messelt also played her way to LM this year. New Bronze Life Masters are Tom Hackenberg, Elaine Jordan and Stan Kurtzer. Winning their way to Silver Life Master are Mahesh Rathi and Ralph Simon. Pam LaShelle is our newest Gold Life Master. Well played!

Ace of Clubs winners for 2009 are: (0 - 5) Mike Harris; (5 - 20) Linda Griffith; (20 - 50) Sandy Potts; (50 - 100) Harry Ingham; (100 - 200) Susan Emerson; (200 - 300) Terri O'Brien; (300 - 500) Vivian Thompson; (500 - 1000) Barbara Hollahan; (1,000 - 2,500) Sally Sekac; (2,500 - 5,000) Tom Clark; (5,000 - 7,500) Rosemary Kelley; (7,500 - 10,000) Paul Kelley Jr.; (10,000+) George Pisk. Well done!

Congratulations to Phillip Jaeger and Tom Hackenberg for their first place win in the district-level NAPs in January and good luck in Reno! Kudos also to our Ft. B GNT winners Nancy Dean, Pam Phillips, Barbara Hollahan and Beverly Guerin. Ft. C winners are Mark Heep, Liz Cooper, Sandy Potts and Linda Griffith. They will compete, along with other teams that qualified, in the GNT district-level playoffs in Richardson in May.

Other unit members who played their way to personal masterpoint milestones are: Jan Clark (2,000); Pat Long and Virgil Massey (1,500); Joyce Cooper, Laura Delfeld and Rita Shckelford (750); James Hurst, Immie Pamplin, Suzanne Patterson and Annie Revelle (200); Jeanne Barrier, Geneva Berg, Damon Smith and Katherine Tyler (100); Robert Burton, David Garman, Steve Hollahan, Gary Pamplin, Patricia Scott, Posy Stielow and Mark Weimer (50).

And now to recognize several members for more than just their accomplishments at the table. These people exemplify the best our bridge community has to offer. Mark McAllister, former board member and unit president, current unit webmaster, is always ready to lend a hand. He's usually the first to arrive at tourney set-ups and one of the last to leave. South Austin Senior Activity Center, he's built their Tuesday game from one which averaged three or four tables to one that now averages between 10 - 12 tables. And he's also the one to thank for our on-line rogues gallery, a photo album of our members. For all his efforts, Mark received our Texas Star award. Laura Delfeld has taken to teaching like the proverbial duck to water. Her success in the classroom has paid off in spades. Thanks in large part to Laura's efforts, our unit has so many new players that we've doubled the number of limited games offered each week. She also started and edits The Future Life Master, a bi-monthly newsletter designed for newer players. And she co-chairs the Mentor program. For all her work on behalf of Austin bridge, Laura received our Goodwill/Miss Congeniality award. Her male counterpart, at least in the congeniality department, is Opie Stielow. A newcomer to Austin bridge circles, Opie's unassailable good nature, enthusiasm for the game and good sportsmanship make him a pleasure to play against as well as with. So thanks Mark, Laura and Opie for all you've done to make Austin bridge better.

Pull out your calendars and mark these dates: March 20 - 21, NLM Spring Sectional; March 25 - 28th, Austin Sectional; May 13 - 16, Spring Sectional; June 5 - 6, 0-100 Sectional; June 28 - July 4, Austin Regional at the DoubleTree Hotel; July 17 - 18, NLM Sectional; Aug. 21 - 22, 0-100 Sectional. We have endured a few COLD days and, not being snow birds, it is not our favorite time. We have members who have been under the weather so as to speak, and we wish them all a speedy recovery. Clarence Marley had back surgery; Max Curry has had heart surgery; Neal Marshall slipped on ice and fractured his hip and Mary Hammond is recovering after a bad fall but, as of this writing, all are on the mend.

We had those who have traveled during the holidays but don't think I can name them all. So, until next time, I am "faceless" at the top but I think you know who I am.

On to more bridge and more good times!

Jan

Unit 224 Fort Phantom	
Vance McCracken	

The Fort Phantom Unit is working vigorously to encourage the participation of new bridge players. Some members teach classes. Mary Lou Gross offers once-a-month free lessons to people who want to play bridge but have never done so before. Darla Mawson is planning weekly lessons for players who know the basics.

And Jackie Sonnenburg will again offer to more advanced players a short course on popular bridge conventions. Other unit members tutor players in home games, and the "Eight is Enough" games, whereby

the total masterpoint count at the table must remain low, remain a popular way for new players to learn from the more experienced.

Martha Murphy has been instrumental in organizing monthly mentoring games, which are open to pairs consisting of an experienced duplicate player and a new player. She creates a party with lots of great food and a relaxed atmosphere. Normal attendance is five or six tables, and in December three of the players joined ACBL.

For both new and experienced players, Unit President Jo Smith has initiated 30-minute mini-lectures in advance of the Tuesday evening game. These address whatever subjects players would like to know more about, and attendance at the game has increased noticeably.

Every unit needs someone whose bridge expertise, good sense, and gentle nature makes him or her the go-to person for every player. Howard Wilkins filled that role for the Fort Phantom Unit, and he died on Christmas Day. A Diamond Life Master, Howard was a leader in the unit and in the district. Everyone who has played at the table with him will always be grateful for the experience. On February 15 the unit will have a Howard Memorial Game, including dinner.

The unit held a party in January for Jo Smith to celebrate her 5,000th masterpoint. Martha Murphy read one of her incomparable encomiums, and Jo spoke about the importance of generating wider participation in the game of bridge. After she wished everyone good luck and second place, all enjoyed an excellent evening.

Unit 233 Central Texas	
Helen Levy	

Congratulations to Tom Corlett who received the Texas Star Award for our Unit at the Houston Regional Feb. 5. Also announced were Goodwill awards for Eiko King and Lennie Wilkins. Special thanks to these "volunteers" who contribute so much to our Unit activities.

Four bridge clubs who play at the Cultural Activities Center in Temple and one in Waco held charity games for the Haitian Health and Education Foundation in Jan. The father of one of our Waco members, Dr. Robert Gardere, established the foundation and served on its board until his death three years ago. The foundation supports a small 50 bed hospital which was inundated with patients and desperately short of medical supplies. Dr. Gardere's two brothers in Haiti survived the earthquake and are alive and well.

Winners of the Unit Grand National Team qualifying games for Flts. B and C Jan. 24 were: Flt. B, 1st, Peter Hudson, David Farris, Pamela Wiegmann. J. Wiegmann. 2nd, Ila Bates, Belva Barrington, Peggi Kenny, Harry Kenny. 3rd, Caroline Baumann, Cynthia Strahm, Donna Gerber, Beverly Greer. Flt. C, Jane Collins, Jean Cohnstein, Shirley Griffith, Genevieve Lockley. Two more Flt. B teams and one Flt. C team also qualified to play in the District finals in Richardson on Memorial Day weekend.

Congratulations to new Bronze LM Donna Gerber.

Welcome new members Louis Adams, Temple; Retha Bass, Hilde Ouellette, Lavona Carter, Rosalind Modralll, Harvey Payne, Patricia Payne, Waco; Gladys Brumbelow, China Spring; Leslie Hendrix, Elm Mott.

The Wed. morning 299'er and the Sat. afternoon bridge games formerly sanctioned under the Golden Rule Bridge Club are now sanctioned under the Bridge Studio of Temple. The sanction for the Golden Rule Bridge Club has been canceled.

The 2011 Heart of Texas sectional tournament has been sanctioned for March 4-6 at the CAC in Temple. The 2011 Bridge on the Brazos sectional tournament has been sanctioned for Aug. 5-7 at the Waco Convention Center. Mark your calendars and plan to attend these fun tournaments next year.

Winter has hit our area with a vengeance resulting in a blizzard on Christmas Eve and the whitest Christmas we have had here in many years. However, this did not dampen the spirits of our members or keep things from heating up on the bridge tables.
