

Volunteers Needed

We are looking for volunteers to provide their time or their treasure to support selling lunches at the October Fort Worth Sectional. We have raised significant funds this way in the recent tournaments, and are hoping to raise up to \$1800 this coming year in profit that directly benefits our ADBC.

If you can't volunteer please donate to help with the costs of the lunches. I will be sending out emails that include a couple of ways for you to easily volunteer or donate online.

- ❖ There are signup sheets posted on the white board
- ❖ There are also QR codes and links to donate or volunteer on this handout!
- ❖ **Please help us raise these additional funds!!**

We need your commitments by August 29!

Please scan the QR code or use the tinyurl to signup to **volunteer**
