

**BILL HIGGINS**

I am delighted to have had an opportunity to serve on the board of Unit 176.

For the past 2 years I've been Vice President of the Board. I have also been serving as membership chair, where my focus has been on growing our game and reversing the decline in our unit membership we've experienced over the last few years.

If elected to another term on the board I will continue to work hard to grow our game and secure a sound future for bridge in Dallas
