

CHERYL RIDER

I was appointed to the board 2 1/2 years ago as a replacement for a resigning member. I am the equipment liaison; my role was put to task when our trailer was stolen with much of our equipment inside. With an upcoming tournament we needed to replace tables; bidding boxes and other essentials for the tournament. We located bidding boxes from a club in Maine and boards from a club in Albuquerque.

My background: Real Estate Broker and Small Business owner.

I love the game of bridge! It brings a social element as well as a challenge to the brain. I am happy to give back to the game that has given me so much with whatever contributions I can make.

Thanks for the opportunity!
